*Researchers must follow their unit’s new electronic grant submission process.*

*All proposals applied for must be accompanied by a Funding Application Approval Form (FAAF) and must follow the deadlines (unless otherwise posted).*

*As a reminder, below are the ORS deadlines for submitting research proposals and FAAFs.*

For large, complex grant applications (e.g., tri-agency major programs, those that require matching funds and/or additional institutional support, etc.)

- 10 working days in advance of agency deadline

*For other regular and/or ‘rolling’ and one-time grants:*
- 5 working days in advance of agency deadline
- If the funding opportunity is not posted in our ORS Funding Opportunities Database
  the default requirement is 3 working days in advance of the agency deadline

Also as a reminder, researchers should work with the University’s Research Facilitators early in the
proposal development stage, for assistance in strategic research planning and proposal review.
