

My Projects

This site allows you to view all of your research proposals submitted to the Office of Research Services. Each proposal is assigned a UM Project Number (formerly called the FAAF number). A summary of financial details from Budgets & Grants can also be seen for funded projects as far back as 2006.

This is a UM Project Number. Clicking on a project number will load its details below.

Click on any of these tabs to change the current view.
Current Awards: Awarded projects currently between the sponsor's official start and end date.
Recently Submitted: Proposals submitted to ORS in the past 12 months.
All Awarded: All projects that have received funding (since 1995).
All Statuses: All proposals submitted to ORS (since 1995).
Search Results: Proposals found using the Quick Search box.
