

My Projects and Protocols

This site allows you to view your research proposals submitted to the Office of Research Services (ORS) as well as your human or animal ethics protocols submitted to the Office of Research Ethics and Compliance (OREC).

Click on a tab to change the current view.

Currently Active: Awarded projects currently between the sponsor's official start and end date and active protocols currently within the approval period.

Recent Submissions: Proposals or protocols submitted in the past 12 months.

All: All submitted proposals and protocols.

Click on a header to sort by that column. Hold Shift to sort by multiple columns.

The screenshot shows the 'My Projects and Protocols' interface. At the top, there's a blue header with the title and navigation links. Below the header, there are three tabs: 'Currently Active (20)', 'Recent Submissions (17)', and 'All (103)'. The 'Recent Submissions' tab is selected. Below the tabs is a table with the following columns: Item, Number, Description, Title, Status, and End Date. The table contains several rows of data, including Animal Ethics, Human Ethics, and Project entries. On the left side, there is a search box and a 'Show only' section with checkboxes for Projects, Human Ethics, and Animal Ethics. A 'Print List' link is located in the top right corner of the table area.

Search by:

- Project, protocol or fund number
- Title
- Grant or contract sponsor
- Program name

When searching by number, the search results will also contain any linked projects or protocols.

Click on an item number to load its details below.

An item number is one of the following:

- UM Project number
- Human ethics protocol number
- Animal ethics protocol number

Clicking on an item number will load the project or protocol details below the main list.

Information available for Projects:

- **Project Details** from the Office of Research Services database
- **Awarded Amounts** for each period of the project as given by the sponsor
- **Ethics Summary** for related compliances
- **Finance Summary** for all associated funds from Banner

Information available for Human Ethics:

- **Human Ethics** protocol details
- **Submissions** received by the human ethics offices
- **Links** to associated UM research projects or other human ethics protocols

- **Actual Usage** from facilities that are using LabTracks for animal tracking

A printer-friendly display of individual projects and protocols can be generated using the [Print this project](#) or [Print this protocol](#) link that appears at the top right of the details section below the main list.

The screenshot shows the MRT (My Research Tools) interface. At the top, there are tabs for 'Currently Active (19)', 'Recent Submissions (17)', and 'All (103)'. A 'Print List' link is visible in the top right. Below this is a table with columns: Item, Number, Description, Title, Status, and End Date. The table lists various projects and protocols, including Animal Ethics, Human Ethics, and Project entries. A red arrow points from the 'Print this project' link in the table to the 'Print this project' link in the details section below. The details section is divided into 'Project Details' and 'Ethics Summary'.
