COMPETITION RULES AND GUIDELINES QUESTIONS AND ANSWERS

1. WHAT IS THE 1ST ART! INVITATIONAL STUDENT ART COMPETITION?

The 1st Art! Invitational Student Art Competition celebrates exceptional achievements by studio arts students in each province and territory in the country.

Canadian institutions offering post secondary, undergraduate level diploma, certificate, or degree programs with a studio arts focus are asked to select three students in their last phase or year of their programs to complete a Submission Form and provide digital images of a recent work of art (see other details below, question # 3). Institutions offering more than one studio arts program may select three students from each program: for example, if an institution offers both a BFA degree in studio art as well as a diploma in Graphic Arts or Visual Studies, it may select six students to apply, three from each program. Similarly, if institutions offer specialty programs in different media, Photography, Drawing, Painting, Printmaking, for example, three students from each program may be selected to make submissions to BMO 1st Art!

One successful student from every province and territory - 13 in all - will be awarded \$5,000 for his or her submission. A national winner will also be selected from the entrants, receiving an award of \$10,000 for his or her submission. The national winner's submission will become part of BMO Financial Group's Corporate Art Collection. Monies must be accepted as awarded and may not be transferred or assigned.

In addition to their awards monies, each winner is given an all expenses paid trip to Toronto to attend the opening reception of the 1st Art! Exhibition (see below, question # 5). BMO will ship all of the winning works to Toronto for the 1st Art! Exhibition. The 13 regional winners' submissions will be returned after the exhibition, unless other arrangements are made between BMO and the artists.

2. WHO IS ELIGIBLE?

Students who have been selected by the Deans, Instructors or Administrators of their institutions, and who are expected to graduate from their studio-based programs in 2014 are eligible to enter the 1st Art!
