

## RED EMERGENCY BUTTONS

These emergency buttons are located in the tunnels. When pushed, they will alert U of M Security Services of an emergency in that location and a patrol officer will be dispatched immediately to investigate.

---

If there is an emergency dial 555 on your MTS or ROGERS wireless cell phone. If you have access to the University Telephone System dial 555 to reach U of M Security Services.

## STUDY BUDDY

Study with a partner or friend if you plan to work in a School of Art studio late at night or on the weekend. If you are alone, make sure you know where the nearest telephone is located and avoid isolated areas. Call U of M Security Services for a Safewalk anytime of the day or night to escort you from one location to another on campus.
