

Presentation Schedule for MICROBIAL SOIL DIVERSITY PROJECT

Thursday November 17, 2011

SECTION 1 in room 527 Buller

Presentations start at 1 pm. Section 1 students must attend all section 1 presentations.

Time	Presentation
1:00 pm	Project 1. The effect of carbon availability on soil microbial diversity. 5. Akinremi, Wole; Adams, Trent; Abdissa, Yohannes
1:15 pm	Project 2. The effect of nitrogen availability on soil microbial diversity. 3. Almojuela, Alysia; Isabey, Paige 4. Banh, Sheena; Garcia Varganova, Angelica
1:30 pm	Project 3. The effect of temperature on soil microbial diversity. 11. Janz, Nicola; Enns, Kelly 12. Dabrowski, Andrzej; Enns, Marina
1:45 pm	Project 4. The effect of NaCl on soil microbial diversity. 1. Lui, Tiffany; Kolisnik, Lindsay 2. Boreskie, Patrick; Aftanas, Patryk
2:00 pm	Project 5. The effect of flooding (water saturation) on soil microbial diversity. 14. Nagasaka, Evan; Cunningham, Ian 16. Hill, Mitch; Tshizanga, Sybille
2:15 pm	Project 6. The effect of desiccation on soil microorganism diversity. 13. Pawlitzak, Tomasz; Grabowski, Nicholas 15. Golian, Azarm; Gillies, Jamie
2:30 pm	Project 7. The effect of motor oil contamination on soil microbial diversity. 9. Angus, Trevor; Barker, Dillon 10. Hedley, Adam; Bello, Anthony

SECTION 2 in room 315 Buller _____

Presentations start at 3:00 pm. Section 2 students must attend all section 2 presentations.

Time	Presentation
3:00 pm	Project 14. The effect of contamination on soil microbial diversity eg. herbicide, pesticide, detergent, household cleaners, etc. 7. Dare, Toluwalope; San Filippo, Brent 8. McMillan, Jenna; Lennartz, Tracy
3:15 pm	Project 8. The effect of pH on soil microbial diversity. 17. Rajput, Furqan; Ouellette, Marc 18. Taryana, Airis; Yuen, Janet
3:30 pm	Project 10. The effect of soil depth on soil microorganism diversity. 25. Salas, Scarlet; Wiens, Evan 26. Sidhu, Gagandip; Okolo, Elizabeth
3:45 pm	Project 12. The effect of chemical fertilizers on soil microorganism diversity. 19. Mina, Rachel; Koverzin, Kimberly 20. Rooprai, Sunny; Pandher, Navneet
4:00 pm	Project 13. The effect of added carbon on soil microbial diversity. 21. Seidu, Obed ; Okoli, Ugo 22. Venus, Dan Joseph; Seeraj, Eddy
4:15 pm	Project 14a. The effect of contamination on soil microbial diversity eg. herbicide, pesticide, detergent, household cleaners, etc. 23. Wadhawan, Shelly; Ryczkowski, Kathryn 24. Muller Moran, Claudia; Schulz, Helene

Computer provided. Bring PowerPoint Presentation on USB stick. Lab website has the marking outline for the presentation.
