## Additional Notes:

- Anything highlighted in blue is a new program requirement.
- Anything that is struck-through is a deletion from previous program requirements.
- A co-op option is available based on the same course/credit hours (CH) requirements.
- Students that entered the program prior to Fall 2020 can elect to graduate following the list of either previous or new requirements (although substitutions are allowed, see page 2).
- The program need not be completed in the order prescribed in the chart above. The chart indicates one possible arrangement of the required, elective and optional courses and is meant to be a guide around which students can plan their program.
