**ENTRANCE REQUIREMENTS FOR HIGH SCHOOL APPLICANTS**

Admission requirements are approved by senate for the 2020 academic intake. Visit umanitoba.ca/admissions for updated information.

### IF YOU ARE A HIGH SCHOOL STUDENT

If you're coming to university directly from high school or have completed less than one year of university studies, you'll take the direct entry route into a faculty or program; this means beginning in University 1 (U1), or applying to a program that offers a direct entry option. U1 is a unique approach to your first year at the U of M, giving you the opportunity to design an individualized schedule that meets the admission and/or first year requirements for one or more target degree programs. U1 will not add any time or cost to your degree; it serves as year 1 of any 3 or 4 year degree program.

#### ENGLISH LANGUAGE PROFICIENCY REQUIREMENTS

In addition to academic requirements, students must also meet the English language proficiency requirements. This may be done by writing a standardized test such as:

- IELTS (6.5 overall band score)
- TOEFL IBT (86 total score with a min. of 20 in each component)

For a complete list of ways to demonstrate English language proficiency visit: umanitoba.ca/englishproficiency

#### CONDITIONAL ADMISSION

Students who do not meet the English language proficiency requirements can apply to the English Language Centre (ELC) for conditional admission. Conditional admission to the U of M is available to students who meet academic requirements pending successful completion of the Intensive Academic English Program (IAEP).

#### ENGLISH LANGUAGE PROFICIENCY WAIVER

Waivers may be granted to students who meet certain qualifications, such as graduation from a Canadian curriculum secondary school with a year 12 English literature grade of 75% or higher. (In Manitoba, students must present two English credits at the 40S or U level with an average grade of 75% over the two English credits.)

Students from select countries are exempt from the English Language Proficiency Requirements. To learn more, visit: umanitoba.ca/englishproficiency

### IF YOU ARE A TRANSFER STUDENT

Students who have completed a minimum of one year of university study may be ready to apply to an advanced entry program. Eligibility requirements vary by program and may include both academic and non-academic criteria.
