ENTRANCE REQUIREMENTS FOR HIGH SCHOOL APPLICANTS

Admission requirements are approved by senate for the 2020 academic intake. Visit umanitoba.ca/admissions for updated information.

IF YOU ARE A HIGH SCHOOL STUDENT
If you're coming to university directly from high school or have completed less than one year of university studies, you'll take the direct entry route into a faculty or program; this means beginning in University 1 (U1), or applying to a program that offers a direct entry option. U1 is a unique approach to your first year at the U of M, giving you the opportunity to design an individualized schedule that meets the admission and/or first year requirements for one or more target degree programs. U1 will not add any time or cost to your degree; it serves as year 1 of any 3 or 4 year degree program.

ENGLISH LANGUAGE PROFICIENCY REQUIREMENTS
English is the language of instruction and communication at the University of Manitoba. Accordingly, an applicant whose primary language is not English must demonstrate a command of English sufficient to meet the demands of classroom instruction, written assignments and participation in tutorials and discussions.

Applicants who have lived and been educated in Singapore will have the English proficiency requirement waived. To learn more, visit umanitoba.ca/englishproficiency

HIGH SCHOOL PREREQUISITES
Many programs require or recommend specific high school courses over and above their admission requirements. These high school prerequisites are not always required to enter the program, but must be completed in order to enroll in certain university courses once admitted. To learn more, visit umanitoba.ca/firstyear

IF YOU ARE A TRANSFER STUDENT
Students who have completed a minimum of one year of university study may be ready to apply to an advanced entry program. Eligibility requirements vary by program and may include both academic and non-academic criteria.
