ENTRANCE REQUIREMENTS FOR HIGH SCHOOL APPLICANTS

Admission requirements are approved by senate for the 2020 academic intake. Visit umanitoba.ca/admissions for updated information.

IF YOU ARE A HIGH SCHOOL STUDENT

If you’re coming to university directly from high school or have completed less than one year of university studies, you’ll take the direct entry route into a faculty or program: this means beginning in University 1 (U1), or applying to a program that offers a direct entry option. U1 is a unique approach to your first year at the U of M, giving you the opportunity to design an individualized schedule that meets the admission and/or first year requirements for one or more target degree programs. U1 will not add any time or cost to your degree; it serves as year 1 of any 3 or 4 year degree program.

ENGLISH LANGUAGE PROFICIENCY REQUIREMENTS

In addition to academic requirements, students must also meet the English language proficiency requirements. This may be done by writing a standardized test such as:

- IELTS (6.5 overall band score)
- TOEFL IBT (86 total score with a min. of 20 in each component)

For a complete list of ways to demonstrate English language proficiency visit: umanitoba.ca/englishproficiency

CONDITIONAL ADMISSION

Students who do not meet the English language proficiency requirements can apply to the English Language Centre (ELC) for conditional admission. Conditional admission to the U of M is available to students who meet academic requirements pending successful completion of the Intensive Academic English Program (IAEP).

ENGLISH LANGUAGE PROFICIENCY WAIVER

Waivers may be granted to students who meet certain qualifications, such as graduation from a Canadian curriculum secondary school with a year 12 English literature grade of 75% or higher. (In Manitoba, students must present two English credits at the 40S or U level with an average grade of 75% over the two English credits.) Students from select countries are exempt from the English Language Proficiency Requirements. To learn more, visit: umanitoba.ca/englishproficiency

HIGH SCHOOL PREREQUISITES

Many programs require or recommend specific high school courses over and above their admission requirements. These high school prerequisites are not always required to enter the program, but must be completed in order to enroll in certain university courses once admitted. To learn more, visit: umanitoba.ca/firstyear

DOCUMENT SUBMISSION

Proof of graduation and high school transcripts are required for admission. Final official documents must be submitted to:

Undergraduate Admissions
University of Manitoba
424 UMSU University Centre
Winnipeg, Manitoba R3T 2N2 Canada

Documents in a language other than English must be accompanied by a notarized English translation. Scanned documents will only be accepted as official if sent by the high school counsellor from their official school domain email address. Scanned documents can be sent to: international.applications@umanitoba.ca

IF YOU ARE A TRANSFER STUDENT

Students who have completed a minimum of one year of university study may be ready to apply to an advanced entry program. Eligibility requirements vary by program and may include both academic and non-academic criteria.

1. You are interested in a program that requires one or more year(s) of prior university study.
2. You are undecided about which program you want to study.
3. You do not meet the admission requirements for another program with a direct entry option.
4. You prefer to work with academic advisors who specialize in the transition from high school to university, and will help you with all your academic planning and support needs.

* If you don’t meet the admission requirements of the direct entry program you have applied to, you will automatically be considered for admission to University 1. Unless you want to be considered for an additional direct entry program (other than University 1) you do not need to submit two applications.
ADMISSION REQUIREMENTS

Atestat (Certificate of Complete General Secondary Education) with 5 full credits at the senior level is a general requirement for all direct entry programs.
