

Connection Words

Connection words serve to connect ideas within and between paragraphs. They offer ways for the writer to signal to the reader the relationship between ideas. Connection words can aid organization, create transition, and help to emphasize points. Moreover, by adding connections judiciously, the writing flows more naturally rather than sounding like a list. The following connection words are listed by function.

To add details

Accordingly, additionally, again, also, and, as, as well as, aside from, at any rate, besides, equally important, especially, for example, for instance, further, furthermore, in addition, in other instances, in particular, in some cases, indeed, moreover, to illustrate, that, which, who
