| University 1                      | University 1 serves as a first-year option for all University of Manitoba degree programs | An equivalent minimum grade of 4 over the following courses (at least two of these courses at the HL) with no grade less than 3 in each course:  
  • English  
  • Mathematics  
  • A third academic course  
  • A fourth academic course | Fall Term (September); March 1  
  (recommended) August 1 (final deadline)  
  Winter Term (January); December 1  
  Summer Term (May); April 1 |
| Agricultural and Food Sciences    | Agribusiness, Agriculture, Agroecology, Food Science, Human Nutritional Sciences | An equivalent minimum grade of 4 average over the following courses (at least two of these courses at the HL) with no grade less than 3 in each course:  
  • English  
  • Mathematics  
  • A third academic course  
  • A fourth academic course | Fall Term (September); March 1 |
| Arts                              | Arts                                                                            | An equivalent minimum grade of 6 average over the following courses (at least two of these at the HL) with no less than a 3 in each course:  
  • English  
  • A second senior level course  
  • A third senior level course | Fall Term (September); March 1  
  Winter Term (January); October 1  
  Summer Term (May); March 1 |
| Business                          | Commerce                                                                       | An equivalent minimum grade of 6 average over the following courses (at least two if these courses at the HL) with no grade less than 4 in each course:  
  • English  
  • Mathematics, Analysis and Approaches (HL or SL) or Applications and Interpretation (HL)  
  • A third academic course  
  • A fourth academic course | Fall Term (September); March 1 |
| Engineering                       | Engineering                                                                     | An equivalent minimum grade of 6 average over the following courses (at least two if these courses at the HL) with no grade less than 4 in each course:  
  • English  
  • Mathematics, Analysis and Approaches (HL or SL) or Applications and Interpretation (HL)  
  • Chemistry  
  • Physics | Fall Term (September); March 1 |
| Environment, Earth, and Resources | Environmental Science, Physical Geography                                      | An equivalent minimum grade of 4 average over the following courses (at least two if these courses at the HL) with no grade less than 3 in each course:  
  • English  
  • Mathematics - AA (HL or SL) or AI (HL only)  
  • Physics  
  • One of Biology, Chemistry or Computer Science | Fall Term (September); March 1  
  Winter Term (January); October 1  
  Summer Term (May); March 1 |
| Environmental Studies, Geography  | Environmental Studies, Geography                                                | An equivalent minimum grade of 4 average over the following courses (at least two if these courses at the HL) with no grade less than 3 in each course:  
  • English  
  • Mathematics  
  • A third academic course  
  • A fourth academic course | Fall Term (September); March 1  
  Winter Term (January); October 1  
  Summer Term (May); March 1 |
| Geological Sciences               | Geological Sciences                                                             | An equivalent minimum grade of 4 average over the following courses (at least two if these courses at the HL) with no grade less than 3 in each course:  
  • English  
  • Mathematics - AA (HL or SL) or AI (HL only)  
  • Chemistry  
  • Physics | Fall Term (September); March 1  
  Winter Term (January); October 1  
  Summer Term (May); March 1 |
| Fine Arts                         | Fine Arts                                                                       | An equivalent minimum grade of 4 average over the top three senior level courses (at least two of these courses at the HL) and  
  • Minimum grade of 3 in a first language literature course (in either HL or SL)  
  • A portfolio with a supporting written statement is required | Fall Term (September); March 1 |
| Health Sciences                   | Health Sciences, Health Studies                                                 | An equivalent minimum grade of 6 average over the following courses (at least two of these courses at the HL) with no grade less than 3 in each course:  
  • English  
  • Senior level Mathematics or Pre-Calculus Mathematics  
  • One of Biology, Chemistry, Physics or Computer Science | Fall Term (September); March 1 |
| Kinesiology and Recreation        | Kinesiology, Physical Education                                                 | An equivalent minimum grade of 6 average over the following courses (at least two of these courses at the HL) with no grade less than 3 in each course:  
  • English  
  • Senior level Mathematics or Pre-Calculus Mathematics  
  • One of Biology, Chemistry, Physics or Computer Science | Fall Term (September); March 1 |
| Management and Community          | Recreation Management and Community Development                                 | An equivalent minimum grade of 6 average over the following courses (at least two of these courses at the HL) with no grade less than 3 in each course:  
  • English  
  • Senior level Mathematics or Pre-Calculus Mathematics  
  • A third senior level course | Fall Term (September); March 1 |
| Music                             | Music, Jazz Studies                                                             | An equivalent minimum grade of 4 average over the top three senior courses (at least two of these courses at the HL) with no grade less than 3 in each course:  
  • Minimum grade of 3 in a first language literature course  
  • An audition and a theory assessment are required | Fall Term (September); January 15 |
| Science                           | Science                                                                         | An equivalent minimum grade of 6 average over the following courses (at least two of these courses at the HL) with no grade less than 3 in each course:  
  • English  
  • Senior level Mathematics or Pre-Calculus Mathematics  
  • One of Biology, Chemistry, Physics or Computer Science | Fall Term (September); March 1  
  Winter Term (January); October 1  
  Summer Term (May); March 1 |
