

THE DR. AND MRS. RALPH CAMPBELL AWARD

"The Committee identifies the general purpose of community engagement as being: 'to enlarge and enrich the contacts between the University and all segments of the community' by such means as:

- increasing access to the existing programs of the University,
- extending the nature and range of the programs and services it offers,
- sharing more effectively with the community the resources of the University, and
- drawing on the talent, experience and resources within the community."
