VISION STATEMENT

The vision of the Faculty of Social Work is to help create and contribute to a world where there are no great inequalities of wealth or income, where economic and political power is more evenly distributed, where human need is the central value of distribution of society's resources, where diversity of culture is celebrated, where people have greater control over their own lives, and where all persons are afforded maximum opportunity to enrich their physical, spiritual, psychological, and intellectual well-being. Being the only university-based social work program in Manitoba, and the largest program in Canada, this vision also includes the Faculty playing a leading role in the socio-economic-cultural development of the Province in particular, but also to Canada and beyond, which is consistent with the University's own vision statement. To these ends, it is necessary that the Faculty become one of the outstanding social work programs in Canada with respect to research, quality education, community service, and the accomplishments of its graduates.
