FROM THE RECTOR

As Rector of St. Paul's College (SPC), I am pleased to present our Annual Report for the 2015-16 academic year. On the cover and throughout the report are the faces of our very accomplished students, faculty, staff, and alumni. I hope you find this report interesting, including these highlights:

- In 2015, 1,138 University of Manitoba (U of M) students joined SPC, with a record breaking total of 214 SPC students graduating with their university degrees.
- Our students continue to use SPC as a springboard for launching successful careers. This includes 247 students in the Arts and Humanities, 250 in Sciences, and 116 in Business. Many of our students are also in Law, Health Sciences, Engineering, Music, Education, etc.
- With an enrollment of 324 students last year, students come from across campus to enroll in Catholic Studies offered by the Jesuit Centre for Catholic Studies at SPC.
- The Joint MA with the University of Winnipeg and PhD program in Peace and Conflict Studies are thriving programs housed in the Arthur V. Mauro Centre for Peace and Justice. Many scholarships are provided by the College's Foundation with donor support.
- Our faculty continues to be drawn from a wide range of U of M departments, and consists of 26 Regular Faculty Assembly members as well as numerous associate members, research fellows and scholars.

In creating this report, our College acknowledges tremendous support from the U of M's Office of Institutional Analysis and Registrar's Office, with special thanks to Randy Roller, Wen Trask, and Shan Rogers. In addition, we appreciate the hard work of Randall Kinley, who coordinated the project, and Matt Semchyshyn who created and edited the report, and managed its design, layout and print production. A big thanks goes also to those who helped proofread the various drafts prior to finalization.

The College appreciates the support we receive from our generous donors, alumni, volunteers, and the Archbishop of Winnipeg, the University of Manitoba, and others across the broader community. We also appreciate all the good things our students, faculty and staff do each day to make this a great community within the larger University of Manitoba community!

MISSION AND VALUES

St. Paul College currently operates with the following Mission Statement: "St. Paul's, the Catholic College in the Ignatian tradition at the University of Manitoba, serves the Church and Society by promoting learning, both secular and spiritual, through excellence in research, teaching, and service."

In addition to the College's Mission Statement, at St. Paul's College we value each person, the community, social justice, the search for truth by faith and reason, and ecumenical and inter-religious dialogue.

St. Paul's College operates with the following goals and objectives:

1. To strengthen the Catholic Identity of the College.
2. To offer educational programs of the highest possible quality with a particular emphasis on programs and courses in Catholic thought.
3. To enhance student success by fostering an environment conducive to intellectual, personal, and spiritual growth.
4. To ensure the presence of qualified people in academic, governance and administrative positions who are committed to the development, communication and application of the Catholic intellectual tradition.
5. To enhance relations between the College and the Catholic community.
6. To secure the financial and physical resources necessary to support the programs and services of the College, particularly those that relate to its Catholic identity and mission.

OUR ETHOS

St. Paul's College is committed to the social, intellectual, aesthetic, moral and spiritual growth of its community composed of students, staff, faculty, chaplains, board, and Jesuit Fathers, and to the development of justice and knowledge for all. St. Paul's seeks to synthesize knowledge gained from work in the humanities and the sciences, and encourages research in order to further our understanding of human individuals, human groups and human cultures.

St. Paul's embodies the Catholic heritage, but imposes no creed. It asks only a commitment to the College Ethos, in conformity with its mission and aims, and to the continued pursuit of high academic achievement.

St. Paul's College is a liberal arts college, which expresses the Christian, Catholic, and Jesuit heritage.

Since St. Paul's College is a Christian college, it encourages active involvement of individuals interested in the study of human reality from the perspective of the Christian heritage. This perspective holds that the individual is a self-transcending unity of body and spirit, which is open to the mystery of God, a mystery most fully communicated in Jesus Christ.

St. Paul's College is specifically a Catholic college; therefore it encourages the active involvement of individuals interested in the study of human reality from the perspective of the Catholic heritage. This provides the perceptions of Christian realist philosophy, and of sacramental, mediational, and communal Catholic theology.

Since St. Paul's College is grounded in the Jesuit educational tradition, it encourages the active involvement of individuals interested in the application of the Ignatian worldview to the study of human reality. This perspective views the temporal and spiritual as interwoven and fosters the study of secular and religious subjects conjointly in order that human excellence might be expressed in men and women of right principles, in touch with their times, and in tune with their culture. It is precisely this Ignatian worldview, which integrates and justifies the Ethos of St. Paul's College in conformity with its mission and aims.

University scared me for one reason - the population. Going from a graduating class at St. Boniface Diocesan of 63 people to over 30,000? Well, it had me anxious. I'm an introvert by nature and need my alone time. St. Paul's College is big enough to have space for everyone but small enough that no one is alienated. Immediately, I felt at home. It wasn't long before I ended up finding my space - this black couch. To most, it's just a piece of furniture, but to me, it's my sanctuary. That couch has become my lifeboat for when things get overwhelming. I'll just come here to sit and take a breath. Finding my place here was the best thing I could have done in University. I am proud to be a Paulinian.

In my four years here, St. Paul's College has become a second home to me. It's the first place I go to in the mornings, and the last place I go before leaving at the end of the day. It is where I've done most of my studying, and where I go to relax and spend time with my friends during the day. Subsequently, having spent so much time at the College has allowed me to develop great relationships with some of the staff, members of the Students' Association, and with many of my peers. I am very fortunate to have had the opportunity to meet, work with, and befriend so many intelligent, caring and wonderful people.

Next year will be a big change for me, as I will be studying at the Bannatyne campus. Although I'll no longer be able to come to the College between classes, and spend time with my friends in the cafeteria or in the council office, I am excited to begin the next chapter in my life. Being a member of the College and the Student's Association has played a big role in my university career and I am very grateful for what the College has provided me with in the past four years. I have grown as an individual and as a student. I will always cherish the memories I have from my time here, and I am proud to be a Paulinian.

“Over the last three years, St. Paul’s College has become a major part of my university experience. I have many unique memories from campus ministry, from a day exploring a Trappist monastery to ten days of service learning in the Dominican Republic. Then there’s the College itself: the cafeteria to relax and hang out with friends, and the library to study, where I’m always greeted with a smile by Bill. I took the Intro to Catholic Studies class in my first year since I was in need of an elective.... three years later I’m on the verge of completing the Catholic Studies minor and working in the Jesuit Centre as a writing tutor for fellow Paulinians (come see me Tuesdays and Wednesdays)! I’ve made many new friendships at the College, both with students and staff, and I’m not the first to say it has become my home on campus. I am proud to be a Paulinian.”

Being part of St. Paul's College has truly been an amazing journey. I have met new friends, and I go to mass from time to time as well. I'm part of a community called "CFC-Youth Campus Based", where I am one of the leaders. Campus Based is where we work with universities in proclaiming the Catholic faith through the students and student groups and we want to do that through post-secondary school. I have many teammates and counterparts to help me when we have events. Our group has monthly gatherings in St. Paul's during the Fall and Winter terms. I have built a great connection with many of the faculty and staff at St. Paul's College including Father Michael, Sister Elaine, Matt, and Fr. Jeff Burwell (he's the best Prof Ever!). Knowing them has really been a blessing because without their help, we wouldn't have held events such as the Filipino Mass, and the Anima Christi Retreat. Being part of St. Paul's College has allowed me to get involved. Being a part of the Canadian Catholic Students' Association is also an incredible thing, as you are a part of a student group where you are meeting new friends who have the same interest as you. Leading Youth Campus Based with the help of the CCSA allows us to become better known among students. Overall, I'm honoured to be a part of the St. Paul's Community, and I can't wait to see what happens over my years here. I'm very blessed to experience so much love in the College. I'm proud to be a Paulinian.

I have worked at the Father Harold Drake, SJ Library for the past three years. Before I worked here I was always the first student in the library in the morning. I had my spot right by the plants. I got to know Bill during my first year of being a student. I liked studying here because it was quiet and small. As such I felt comfortable and not overwhelmed as I did in some of the larger libraries on campus. One day Bill offered me a job. He said since I was already here all of the time, I might as well work here. It was my first job. I enjoy helping out the students and working with the staff. As a U of M student myself in the middle of obtaining my degree in nursing, I feel that I can relate to the students in many ways and enjoy getting to know some of them. I am proud to be a Paulinian.

Note: a change occurred in the 2014-15 academic year in the way the University of Manitoba records and calculates high school of origin. Data in years prior to this may not be strictly comparable.

Coming to the University of Manitoba from a small Catholic high school was a major change. Not only was I without many of my closest friends who had headed in other directions for school, but I was dreading the idea that I wouldn't have the personal relationships with professors that I was akin too.

Before I started taking classes in St. Paul's College in my second year, I had not made many friends in classes, and had yet to even speak one on one with a professor.

The Catholic Studies program is where all of that changed. Sharing so many classes with a small group of people, and seeing them so often around the college, friendships were soon fostered. As well, the professors in the program have had a profound impact on the type of student I am, and I would go so far as to say they have become personal friends.

Graduating this coming April here at the Chapel at St. Paul's will be much more meaningful to me than the convocation I had envisioned my first day on campus. St. Paul's College is where almost all of my studying, eating (and sometimes sleeping) takes place. More importantly, this college has helped me grow in friendship, in academics, and in Christ.

I came to St. Paul's College with the intention of having a great University experience, like my father did. He's told me on multiple occasions just how special St. Paul's is to him. He was able to study here, make life-lasting friends, and even met my mother right outside the bathrooms in the cafeteria (romantic right?). St. Paul's College meant so much to him that he even became Senior Stick in 1990. He describes his time spent here as some of the best years of his life, and has encouraged me to spend as much time here as possible. So far I've been doing just that. St. Paul's is a great place to socialize with friends who I otherwise wouldn't see, and I have been able to complete all of my studying in the study carrels. I hope to follow in my Father's footsteps, and have St. Paul's College be a large part of my life as well.

I am a third-year psychology student and the president (the senior stick) of the St. Paul's College Students' Association. Above this, I am happy to call myself a Paulinian! When I started at the U of M in 2013, I totally fell in love with St. Paul's College. The College continues to give me a sense of home and community when at school. Within weeks I found myself involved with the Students' Association, an organization that is committed to enhance the experience of St. Paul's College members. I served as Vice Stick in my second year, and Senior Stick in my third. During these years, I'm happy to have played a small role in charitable events, fundraisers, social gatherings, scholarships, capital improvement, and educational opportunities. Also during this time the security of the College has allowed me to focus on my studies, my relationships and my faith. If not for the college, I would not be who I am today. I am a bison. I am a student. I am a leader. I am a Paulinian.

I must say I had a great time at this year's Barn Mass. I am gradually learning to overcome my fear of animals, especially cats. This kind of experience helps with that! I am fortunate to have had this opportunity, and I am proud to be a Paulinian.

CAMPUS MINISTRY

INTRODUCTION

We gratefully acknowledge financial support for St. Paul's College (SPC) Campus Ministry programs and services from the Archdiocese of Winnipeg, St. Paul's College Foundation Inc., as well as other donors. Without this support, much of the services we provide to those within our community would not be possible. The St. Paul's College Students' Association, as in the past, has been very supportive with collaborating in campus ministry and special College liturgies and events. Through their gift of money last summer we were able to purchase our own LCD projector which has been used for several student events since then. We express our appreciation to all.

In his proclamation of the Jubilee Year of Mercy, Pope Francis referred to the importance of instruction and formation which opens up the eyes of students to Jesus Christ and the fullness of the Gospel, not only as an intellectual endeavour but as a formation of heart and soul. This formation is the basis of the spiritual and pastoral care of our campus ministry. Much of our time is spent assisting the students with moral and spiritual concerns related to the integrity of their being as they pursue their academic and professional aspirations. This is our ministry priority. We note that there are mental health issues with students on campus. With the help of the Chaplains' Association and the Student Counselling Centre we are able to provide referrals for assistance when needed. We note, however, that there is often a waiting list that students are put on while they continue to struggle. We seek to offer a compassionate place for them as much as our resources can offer. The St. Paul's College campus ministry team collaborates sincerely and joyfully in the service of the Gospel.

Our continued membership and collaboration with the Canadian Catholic Campus Ministry Association and the Canadian Catholic Students' Association is a stimulus for offering integral, competent, human and spiritual resources to students and staff who are searching for the "magis" characteristic of Ignatian spirituality. Evangelization is a key component of our ministry but always within the necessary comprehensive dimensions of campus presence, catechesis, community involvement, ecumenical and interfaith involvement, a culture of vocations, faith community and hospitality, justice and service, leadership development, lectures and retreats, pastoral care, and prayer and sacraments. We continue to invite the students to be creative and come up with ideas of activities and events that they can take responsibility for in a way that meets their needs.

Sr. Elaine Baete continues to be a member of the Global Connections Social Justice Committee (Canadian Catholic Campus Ministry (CCCM)) and the Professional Development committee of the CCCM. Meetings were held through Skype. Through the local Catholic Students' Association, student volunteers met twice each term. A community of friendship and support is established through their activities, and they are encouraged to organize events and hone their leadership skills. Among our students are executive members of the Students for a Culture of Life and the CFC-Youth for Christ who are a dynamic part of our campus ministry program.

THE CAMPUS MINISTRY TEAM

The 2015-2016 SPC Campus Ministry team members collaborate very well. We are grateful for the two Peer Campus Assistants, Wadzie Magabwa and Nathania Frederica, who assisted the director of campus ministry with outreach to students. They received a stipend for their help with liturgy and various activities including university orientation assistance. Meetings with them were usually held monthly and as needed, depending on specific activities and events that required planning. Meetings were also held with the students of CFC Youth for Christ as we organized some activities together.

SPIRITUAL LIFE AND DEVELOPMENT

After summer break, weekly 11:00 am Sunday Mass resumed August 23rd, 2015. Masses continued until June 26th, 2016. Weekday Mass resumed Tuesdays to Fridays at 11:45 am from August 26, 2015 and continued to June 27th. We celebrated Christmas Eve Mass on December 24th, 2015 at 8:00 pm and closed the chapel until Sunday Mass resumed January 3th, 2016.

We are grateful to the Jesuits who presided over weekday liturgies when Fr. Michael Koryluk had other commitments. On February 10th 2016 the Ash Wednesday Mass with Distribution of the Ashes was held with a large gathering in Christ the King Chapel. Thanks to Fr. Eduardo Soto SJ who assisted at this Mass.

In addition to Easter Triduum liturgies (March 24-26th, 2016) with Holy Thursday, Good Friday Way of the Cross on Campus, Good Friday The Passion of the Lord Service, and Easter Vigil, special liturgical celebrations held in the chapel included: the Mass of the Holy Spirit (September 27, 2015), the St. Paul's Day Mass (January 24, 2016), and the Baccalaureate Mass (April 24, 2016), all presided over by Fr. Michael Koryluk, followed by the Academic Awards Ceremonies and the Baccalaureate Exercises. We are thankful for the assistance of the Jesuits and Deacon Richard Ludwick of the SPC Board of Governors.

There was one wedding in Christ the King the Chapel (on June 27th 2015) of a SPC member-international student. No funerals were held in the Chapel.

Workshops were offered to students who expressed interest in being a part of our liturgical celebrations as lectors of the Word of God.

Fr. Michael was available regularly for the Sacrament of Reconciliation, special liturgies such as Advent and Lent, as well as penitential liturgies and celebrations. On the First Fridays of the month, we had Exposition of the Blessed Sacrament after the 11:45am mass until 3:30pm.

Members of our faith community participated in the various Centennial celebrations of the Archdiocese. We were happy to host the Vespers for the Academic Symposium entitled "The Archdiocese of Winnipeg at 100: Yesterday, Today and tomorrow" on October 22nd 2015. Happy to celebrate the diversity of our Catholic faith and worship, we welcomed our Byzantine brothers and sisters for liturgy. Fr. Taras, Redemptorist, presided over this liturgy on November 19th, 2015, and April 14th 2016. These liturgies have been formative for many young people who have not experienced this dimension of our Catholic faith.

On Sunday September 20th 2015 we celebrated the 50th anniversary of the Vatican Document of Sacrosanctum Concilium with a special liturgy followed by a reception.

INTERCULTURAL LITURGIES

In keeping with the call for intercultural dialogue in Catholic education, we welcomed the initiative the students took to organize liturgies in their culture and language, with translation available through the Sunday Bulletin. On December 13th, 2015, we celebrated Hispanic Mass in the spirit of Our Lady of Guadalupe thanks to the assistance of Fr. Eduardo Soto, SJ, and African Mass (January 17th, 2016) organized by the African students of our faith community. Both were followed by a potluck meal. The CFC Youth for Christ organized the Filipino Mass and pot luck meal February 7th 2016.

READING & DISCUSSION ON THE GOSPEL OF LUKE FOR THE YEAR OF MERCY

Following the pastoral letter of Archbishop Richard Gagnon, a lectio divina reading on the Gospel of Luke was offered to students. Due to the academic demands on the students only irregular gatherings of 1-2 students were held.

BARN MASS (DECEMBER 6TH, 2015)

The Barn Mass was held at the Giesbrecht Farm near Niverville. This Advent liturgy provides the framework to help prepare for the coming of Jesus that we celebrate at Christmas.

NATIONAL CATHOLIC STUDENTS' WEEK

CFC Campus Based Youth offered Bible Studies and organized a Filipino Mass with a pot-luck meal as part of this week's festivities on campus. The usual Winnipeg Harvest volunteering coinciding with National Catholic Students' Week was postponed to April 2nd 2016. Fifteen students participated.

rites of Christian Initiation of Adults (RCIA)

One student desired to be confirmed with catechesis through Campus Ministry; his sibling wanted confirmation at St. Vital Parish. We encouraged them to decide in unison. One other student of ICM asked for the RCIA process much too late to start the year. We hope he will respond and be committed to the process next year.

Thanks to a generous donor, Sr. Elaine and one student were able to participate in the Music Ministry Alive liturgy camp at St. Katherine's University in St. Paul MN from July 28 to August 2nd 2015. Given that formation for liturgy is needed, it would be ideal if more students could participate in this liturgical formation workshop.

LITURGY-BASED BIBLE STUDY

The CFC Campus Based youth faith group has organized within SPC and off campus a faith sharing and Bible Study gathering about every second or third week. About 15-20 students usually attend.

RETREATS

A Day Retreat at the Trappist Monastery, Holland Manitoba (September 19, 2015)

NATIONAL CANADIAN CATHOLIC STUDENTS' ASSOCIATION CONFERENCE (October 16th -18th, 2015)

Three students attended this conference at Campion College, University of Regina on the theme of developing leadership skills. Sr. Elaine went with them. One student attended the Global Connections: Living with Integrity Global Justice weekend in Toronto with Sr. Elaine who was on the organizing committee. Funding for this was provided through the Basilian Fathers in Toronto.

ANIMA CHRISTI RETREAT (OCTOBER 30TH – NOV 1ST, 2015)

Jesuit Frs. Jeff Burwell, Eduardo Soto Parras and Len Altilia along with Fr. Michael Koryluk and Kyle Beley of CFC Campus Based Youth gave presentations in Hanley Hall on different aspects of the Anima Christi Prayer. Twenty-five registrants participated.

THEOLOGY OF THE BODY FOR COLLEGE AND UNIVERSITY STUDENTS

Thanks to the Catholic Foundation we were able to respond to a request that arose from the Anima Christi Retreat in October to provide a weekend retreat workshop on March 11-12th through the DVD series of Christopher West. With the collaboration and support of the Jesuit Centre for Catholic Studies of St. Paul's College, 18 students registered and provided very positive feedback.

SPIRITUAL EXERCISES OF ST IGNATIUS IN DAILY LIFE [ANNOTATION 19]

Currently two students are faithfully journeying through this demanding year-round retreat. These daily prayer exercises help individuals grow in their relationship with the Lord and develop a sense of discernment in their lives.

VOCATION DISCERNMENT RETREAT (OCTOBER 2ND-4TH, 2015) AND VOCATION DISCUSSION EVENING: (NOVEMBER 17TH, 2015)

As part of the Archdiocese of Winnipeg Centennial celebrations Sr. Elaine collaborated with Christian Martinez and committee members to organize the successful discernment retreat held at St. Benedict's. Archbishop LeGatt of St. Boniface financially supported a Vocation Discussion Evening that was held in Hanley Hall on November 17th, with about 20 students participating. We are committed to assisting young people discern their vocation: single life, marriage, priesthood and consecrated/religious life.

As one of the several means of support of vocation promotion, Sr. Elaine Baete is on the organizing committee of the National Association of Vocation and Formation Directors Association (NAVFDA) of Canada conference that is being hosted in Winnipeg at the Clarion Hotel from April 25th to 28th inclusive. Fr. Michael Koryluk will be presiding over the main liturgy, representing the Archdiocese of Winnipeg.

ECUMENICAL & INTERFAITH

We continued our meetings, prayer celebrations and outreach activities with other members of the Chaplains' Association of the University of Manitoba on and off campus. SPC Campus Ministry has a good working relationship with the U of M Student Affairs Chaplains' Association. We hosted the first gathering on October 7th, 2015. A few members of our community participated in different gatherings during the Festival of Prayer-Week of Christian Unity (January 17th -24th 2016). Sr. Elaine and some students volunteered at the Chaplains' Association PB & Jam event for the Boys and Girls Club of Winnipeg on March 16th.

Members of our community were present at the Hillel Students' Association Interfaith-Passover Seder Meal and tour (April 3rd, 2016) at the Shaarey Zedek Synagogue.

CULTS & RELIGIOUS MOVEMENTS

We are aware that cults and unhealthy religious movements can appear campus. We work with the University of Manitoba Chaplains' Association and Campus Security in this regard. Fortunately, there have been no events of this nature.

U OF M STUDENT AFFAIRS CHAPLAINS' ASSOCIATION

Our campus ministry team expressed the desire to be more visible and available to students throughout campus, especially at University Centre. The Rector, Dr. Adams, is very supportive in continuing the dialogue in this regard.

OUTREACH & SOCIAL JUSTICE

In expressing his concern for the education and formation of young people and students, Pope Francis said that “Catholic education cannot be done without speaking about humanity... to educate in a Christian manner is to lead young people ...forward in those human values present in all that is real and one of these realities is transcendence.” In an informal manner, campus ministry has sought to offer accompaniment to students in the formation of their intellect, heart, and hands in outreach and service. We do all of this within the framework of the Catholic principles of social teaching and the spiritual and corporeal works of mercy, working for life, for development, for the dignity of the person, and to stand for authentic values in the challenges encountered daily in a manner consistent with the Gospel. In this spirit, we offer activities to and for students, and encourage them to take initiative by reaching out. Debriefing amongst the campus ministers and students before and after these experiences is one of the many ways that “accompaniment” in educative formation helps to internalize the transcendent values more fruitfully.

STONY MOUNTAIN INSTITUTION (SMI) MONTHLY OUTREACH (SEPTEMBER 26, 2015–FEBRUARY 28, 2016)

Fifteen students and alumni were committed to the outreach at SMI. A few others had to withdraw after getting employment. Preparations for these monthly visits involved participation in an orientation session, as well as reflection and sharing on liturgical readings.

DEVELOPMENT & PEACE (D&P)

This year, two students and two alumni participated in D&P Fall Action workshops and provided resources to our community. The focus was Pope Francis’ Encyclical *Laudato Si*. In addition to regular donations received for D&P for Solidarity Sunday, a collection was taken in support of the Share Lent campaign and forwarded to the head office to help those in need.

STUDENTS FOR A CULTURE FOR LIFE (PRO-LIFE)

A group of Catholic, ecumenical and interfaith students on campus are organized as a pro-life group. Some of these students collaborate in the Catholic Students’ Association meetings. One of the activities of collaboration is the Advent collection of goods to support expectant mothers at Villa Rosa. Donations, financial and material, have been forwarded to them. We also promoted events such as the March for Life and Family Life Week. As part of encouraging the “consistent ethic of life” we are encouraging students to take a stand for life against assisted suicide and encourage attendance in the lectures made available on campus and at venues within Winnipeg.

WINNIPEG HARVEST VOLUNTEERING

Traditionally the kick-off event for National Catholic Students’ Week is in February, however we were obliged to postpone it to early April 2016. Fifteen students participated. We collect non-perishable food items and give them to our own students in need or to the U of M Students’ Food Bank hamper for other students in need.

INNER CITY MINISTRY & OTHER VOLUNTEER OPPORTUNITIES

Several students have been motivated to volunteer in various parts of the city and we encourage them to do so. Some assisted at Agape Table and Siloam Mission. A couple of students continue to volunteer at the Victoria Hospital, Misericordia Health Centre, and Deer Lodge. We have a good working relationship with the Archeparchy of Winnipeg through the Redemptorist ‘Welcome Home’ on Euclid Avenue. Ten students volunteered for the December 13th 2015 Gift Wrapping Bee for inner city children before Christmas. We also collected items (socks, mitts, scarves, hotel soaps, and shampoos) for ‘Our Place Chez Nous Drop-In Centre Inc.’ on Main Street.

AMAZING RACE–AMAZING GRACE SERVICE LEARNING SOCIAL JUSTICE AWARENESS

(FEBRUARY 17–19 2016)

Members of the campus ministry team (along with five students) took advantage of the Jubilee Year of Mercy and visited the Churches with Holy Doors in each of the three dioceses in Winnipeg. These visits included daily reviews and discussions of the Catholic principles of social teaching, as well as discussions concerning the corporal and spiritual works of mercy. This was an active and prayerful social justice week. Prayerful visits and tours were made to St. Mary’s Cathedral, St. Giana Beretta Molla Church, St. Andrew Babola Church and St. Boniface Cathedral. Service and learning opportunities took place at Agape Table, The Welcome Home and l’Arche Winnipeg.

SOCIAL ACTIVITIES

Building community with healthy human development and relationships is crucial to the formation of young people into mature Christians during their academic pursuits. The students who voluntarily comprise the local Catholic Students’ Association are given the freedom and responsibility to take leadership roles in organizing events. The Coffee House is one such event (November 7, 2015 & March 5, 2016). One movie night was held in each term (Not My Life and The Francis Effect).

COLLEGE EVENTS

Members of the SPC Campus Ministry team and students participated in many of the following College events:

- Child Protection Policy Committee;
- Regular College Assembly meetings with reports provided;
- Scholar’s Recognition Reception;
- Mardi Gras Bash, a fundraiser by SPC Development Office and alumni (February 6th, 2016);
- Monthly Deanery Meetings;
- St. Paul’s College, Facing the New Millennium: Fr. Michael Koryluk and Sr. Elaine contributing to the publication of the book and the book launch February 23rd, 2016;
- National Association of Vocation and Formation;
- Directors (NAVFD) Conference April 25th-28th 2016.

Thanks for the support from Dr. Christopher Adams and the St. Paul’s College Administration, the St. Paul’s College Students’ Association and the Jesuit Centre Catholic Studies Department as well as the members of the campus ministry team who work so collaboratively to serve the student community, St. Paul’s College and the campus at large.

St. Paul's College feels like home to me. I can't remember the first time I entered St. Paul's College because it is a special place I have been coming to for a very long time. Growing up at the College, I always felt supported and loved by the members of its wonderful community. When I recall some of my earliest days at the College, I remember pretending to be sick so that I could skip school and come spend the day roaming the College freely while my mom taught classes. I always felt safe. Being a part of St. Paul's College is being a part of history. It keeps the memory of its members eternal. My mom and her brother also went through St. Paul's College, and were very active members. My Uncle Johnny was a member of Student Council and was the editor of the Paulinian (then called the Electric Fan). He passed away in an accident a few years ago, but Dr. Christopher Adams, our Rector, and many others here, help to keep my Uncle Johnny's memory alive. Hearing stories of their time together at St. Paul's College makes my heart full. Now that it's my turn at the College, I've been happily involved on Student council as the Spiritual Affairs advisor for the past few years, and on the executive council as an UMSU representative this year! My desire is that St. Paul's College continues to be an active, welcoming, and safe space for students at the U of M and my hope is that one day my future children will also be able to call St. Paul's College home.

This is the story of my journey through the halls of the college. Everyone's story is different, but they all share a common thread. Whether you're from a different generation of St Paul's College members, or whether you're a 2016 graduate from the Faculty of Science like me, from Arts, Business, Engineering, or any other faculty, we are all united by the moments and memories we hold at St Paul's College.
