• **Serve both Fort Garry & Bannatyne Campuses**
Our Mission

To assist students by developing and administering both (1) financial aid programs that help students in meeting the cost of their education, and (2) award programs that recognize and reward students for their academic and other related achievements.

With these programs, our aim is to promote the University of Manitoba to both future and current students, their families, and the public.
Facts & Figures

In 2013, we issued more than $14M in award funding to students in the form of scholarships, bursaries, and prizes.

- 1,300 1st year students received entrance scholarships totaling over $2M
- In-course students received more than $6M in award funding
- $500,000+ issued in Athletic Scholarships
- $4M issued in bursaries
- $1.3M in award funding from outside agencies
- Approx. 5,600 applications for Manitoba Student loans….approx. 4,400 UM students receive loan funding.
