* English Proficiency results (if you have any), high school transcripts and any post-secondary education transcripts, proof of graduation (diploma, certificate, etc.), etc.

You have 3 options to apply:

- Conditional Admission: English Language Centre Plus University Studies (Advanced/Direct Entry)
- Already applied to University of Manitoba-need English Language Centre
- Regular Admission: English Language Centre

Conditional Admission

Conditional admission is an option where you will gain acceptance to an undergraduate program on the condition that you complete the English Language Centre’s Level 5 program first. This is an excellent option for students who have met all other academic requirements but do not meet the University’s English Language Proficiency requirements.

After you complete the ELC’s Level 5 program you will be able to move directly into your undergraduate program without submitting a new application. Once you are accepted for conditional admission you will be granted a Standardized Letter of Acceptance which can be used for study permit application purposes to Citizenship and Immigration Canada. In order to apply for your study permit you will require a Standardized Letter issued by our institution which indicates your study dates and program information.
Conditional Admission is only available for:

Direct Entry (available for students who have less than 24 credit hours)
- **University 1** (for first year students)

Advance Entry (available for students who have more than 24 credit hours)
- **Bachelor of Arts** (General) (degree program for transfer students)
- **Bachelor of Science** (General) (degree program for transfer students)
- **Division of Extended Education** (Special Student) (non-degree program for transfer students)**

** If you apply to this program, any previous post-secondary education you have taken will **not be assessed** for credit transfer until you submit a new application for degree studies.

Students who wish to apply to other faculties such as Business or Engineering must submit a separate application after they have completed their studies in the English Language Centre.

Already applied to University of Manitoba-need English Language Centre

This option is only available to students who have already submitted an initial application to a different faculty such as Faculty of Arts or University 1 (U1) but are ineligible because they do not meet the English Language Proficiency Requirements. When selecting this option you must already have an application in the system, we will then combine these two applications and assess you for conditional admission.

Regular Admission

Regular Admission is an option where you are only accepted to the English Language Centre and not to any undergraduate program. This option is best suited for students who are wishing to only increase their academic English ability, or for those who wish to go on to Graduate Level Studies¹.

Students who are accepted for Regular Admission will be required to pay a tuition deposit fee after which they will be issued a Letter of Acceptance for one semester of study (about 4 months).

Please note that in order to apply for regular admission, no official documents such as transcripts or proof of graduation are necessary. If you have an English Proficiency Score (such as IELTS, TOEFL, CanTest, etc.) please submit it when applying or by email to elc@umanitoba.ca.

¹ Students need to apply directly to the Faculty of Graduate Studies.
Entrance Requirements to IAEP:

Upon entrance to the ELC, you will take a Placement CanTEST© to determine your level. An IELTS score of 4.5 guarantees placement in the program.

Note: If a student does not meet the minimum English proficiency requirement for the ELC, they will be advised to study at least one term in another language program on campus before they can retest to the ELC.

Level 5 Entrance Requirement:
- IELTS (5.5 or higher), or
- TOEFL (minimum 16 in each component and 70 overall), or
- CanTEST (3.5 Listening, 3.5 Reading, 3.5 Writing)
- CAEL (50 or higher)
