University of Manitoba Bachelor of Nursing 4 Years (120 credit hours)

The Joint Baccalaureate Nursing (JBN) program is a four-year program offered in partnership with the University of Manitoba. Students are able to complete all four years of the program with University College of the North (UCN) at The Pas or Thompson campus. The joint nursing program offers a community-based approach to health care delivery with a focus on the health of northern people and the learning needs of its students.

Graduates are conferred with a bachelor of nursing degree (BN) from the University of Manitoba, and are eligible to write the Canadian Nursing Association (CNA) licensure examination for registration with the College of Registered Nurses of Manitoba (CRNM).
