University 1

• Flexible first year program

• Serves as year 1 for any 4 year degree program

• Does not add additional time or cost to a degree
Choose University 1 if...

• Your student is interested in a program that requires one or more years of prior university study
• Your student is undecided about which program to study
• Your student prefers to work with academic advisors who specialize in the transition from high school to university
• Your student does not meet the admission requirements for another program with a direct entry option
School Counsellors

Counsellors’ Seminar will be held on Tuesday, September 17, 2019. Click here for more information and to register.

School counsellors play a vital role in preparing high school students for their future. At the University of Manitoba, our team is dedicated to providing you with the information you need to prepare your students for a successful transition from high school to university.

Events

Counsellors’ Seminar: Held annually in September, this professional development day for counsellors provides updates on admission requirements, scholarships and U of M programs.

Evening of Excellence: Every October we welcome high-achieving high school students and their friends and family to learn about scholarships and awards, visit our academic fair and meet U of M students and faculty.

Open House: High school students, school groups, mature learners and parents are invited to explore campus and experience a day in the life of a university student at our annual open house in February.

Presentations and Outreach

Student Recruitment visits schools in the fall (October-November) and spring (May-June) for in-class presentations. Contact us for more information about a presentation at your school.

Group campus tours for school groups are also available upon request throughout the year. Contact us for more information or to book a tour.

Self-Reported Grades

• Students will be asked to enter their anticipated grades for certain Grade 12 courses

• Students estimate their grades to the best of their ability, or submit final grades if available

• No need to change or revise self-reported grades – we will request transcripts from the school for final grades from first semester and midterm grades from second semester

• Students input course work from our searchable course database – if not listed type in “other”
Conditional Offers

• Considered “conditional” because the offer is on the condition that the student still meets the admission requirements once official grades are provided by their school

• Issued to students who apply to select programs between October and March 1

• Based on self-reported grades

Bachelor of Science (Major)
(Direct Entry)
Fall 2019

Dear Student,

Congratulations! We are pleased to inform you that based on self-reported grades and the information provided in your application, you have been granted a conditional offer of admission to the Bachelor of Science (Major) (Direct Entry) program for the Fall 2019 term.

Your conditional offer of admission is pending the successful completion of the requirements as detailed in the Applicant Information Bulletin. A final offer of admission will be issued once we receive official interim transcripts and any other required documentation confirming eligibility for admission.

You will automatically be considered for Entrance Scholarships, which will be calculated using your interim grades from a pre-approved list of 4CS courses. Entrance Scholarships are awarded based on the following:

<table>
<thead>
<tr>
<th>Scholarship Average</th>
<th>Scholarship Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>95-100%</td>
<td>$3000</td>
</tr>
<tr>
<td>90-86.9%</td>
<td>$2000</td>
</tr>
<tr>
<td>85-80.9%</td>
<td>$1000</td>
</tr>
</tbody>
</table>

Congratulations on receiving this conditional offer of admission. We look forward to welcoming you to the University of Manitoba in the fall.

If you have any questions, please feel free to contact the Admissions Office at (204) 474-8808 or the Financial Aid & Awards Office at (204) 474-8197.

Sincerely,

Erin Stone

Checking Your Application Status

• It is normal not to hear much from Admissions until spring when we receive interim grades from schools

• Students can log back into their application portal to check on the status of their application

• Students are contacted via email when admission decisions have been made
Applications Submitted by March 1

• Final first semester grades and midterm second semester grades for Manitoba applicants will be sent by the school or division to the University

• Interim grades will be requested from the school in late March

• Final grades will be requested from the school in mid-June

• Students will be automatically considered for entrance scholarships
Applications Submitted after March 1

- Students will have to submit their interim transcript to the University
- Please assist any students who approach you in accessing and submitting their transcripts
- Final grades will be requested from the school in mid-June
- Students will not be eligible for entrance scholarships
Admission Offers

- Admission offers are provided on the basis of interim grades: final first semester grades and midterm grades from second semester
- Students receive official offers of admission in May
- Most students must accept their offer by June 1
- Final grades are reviewed in late June – if a student still meets minimum eligibility for their program, offer stands
Dear Student,

Congratulations and welcome to the University 1 program for the Fall 2019 term at the University of Manitoba!

We are delighted to advise that you have been accepted to the University 1 program for classes starting in the Fall 2019 term.

Your offer will expire on 01/06/2019 11:59 PM (dd/mm/yyyy). A decision about this offer must therefore be made before 01/06/2019 11:59 PM (dd/mm/yyyy).

If you do not follow through with registration in courses, you will need to reapply to be considered for admission to a future term.

To learn more about the exceptional student experience at the University of Manitoba, visit our Student Experience website. For more information on your program and the University 1 (Direct Entry) program, please visit the University 1 (Direct Entry) website.

On behalf of the President and staff, I would like to take this opportunity to welcome you to the University and to wish you success in your studies.

Sincerely,

Erin Stone
