COLLEGES

Colleges provide facilities and programs to create a community within a community for U of M students. For example, the University of Manitoba’s College of Law is the only exclusively law school in Western Canada and the home of the Indigenous Student Centre. Colleges are encouraged to contact the coach for their sport of interest for more information about tryouts. Contact information for coaches can be found in the staff directory on the Bison Sports website: umanitoba.ca/sports.

ACCESSIBILITY SERVICES

Students with accessibility issues are encouraged to connect with Student Accessibility Services (SAS). SAS can provide assistance for students with a wide range of accessibility needs, from note taking services to interpreters and counseling. For more information, please contact Student Accessibility Services by phone or email or visit our counsellor website for additional resources, tips, and quick links to our admission requirements, the online application portal, recommended courses and more: umanitoba.ca/students/counsellors.

STUDENT RESOURCES

Students interested in living on campus in one of the three first-year residence buildings should apply online; applications are available in late October and rooms are assigned on a first-come, first-served basis. Students can choose from single or double rooms and amenities differ between buildings. Off campus housing resources are also available to help connect students with potential rentals, sublets, and roommates.

STUDENT RECRUITMENT

The Student Recruitment Team is here to help. For specific inquiries, please contact the appropriate member of our team by phone or email or visit our counsellor website for additional resources, tips, and quick links to our admission requirements, the online application portal, recommended courses and more: umanitoba.ca/students/counsellors.

STUDENT RESOURCES

LEADERS OF TOMORROW SCHOLARSHIPS
Leader of Tomorrow and Indigenous Leader of Tomorrow scholarships are awarded to high-achieving students who combine outstanding leadership and academic performance. Recipients are eligible for full-time admission to the University of Manitoba and will receive a $16,000 award over four years. Application deadlines are September 15, 2016, for Leader of Tomorrow and Indigenous Leader of Tomorrow scholarships. Recipients are provided with ongoing support and mentorship from academic staff, and students to learn more about our programs, services, and the university experience. Students interested in applying should visit our website or contact us to arrange a presentation date.

CONDITIONAL ADMISSION OFFERS
Students who apply prior to March 1, 2017, may receive a conditional offer of admission to a specific faculty. Conditional offers are pending the receipt of official transcript documents and meeting all academic admission requirements. Conditional offers are generally made only to students who are highly likely to be successful in their studies, in a specific faculty, and who are accepted with a specific GPA requirement. Students who apply after March 1, 2017, are eligible for a full-time offer of admission. Full-time renewable offers are provided to students who have completed their high school education in Canada and meet all admission requirements. Conditional offers are made to students who may require additional preparation or support to be successful in their studies. Offers will be made in July, at the time of the annual deadline for enrollment. If you are interested in a specific faculty or program, please visit our website or contact us to arrange a presentation date.

INTERNATIONAL STUDENTS FILING THEIR FIRST ADMISSIONS
International students who file their first admission in Canada must complete their final course requirements in their home country and the amount of time they have spent studying in Canada must be less than two years. Students must meet all admission requirements, including English language proficiency, prior to being accepted into the University of Manitoba. If you have a student interested in a specific academic program or faculty, please contact us to arrange a presentation date. Full-time offers will be made in July, at the time of the annual deadline for enrollment. International students who file their first admission in Canada must complete their final course requirements in their home country and the amount of time they have spent studying in Canada must be less than two years. Students must meet all admission requirements, including English language proficiency, prior to being accepted into the University of Manitoba. If you have a student interested in a specific academic program or faculty, please contact us to arrange a presentation date. Full-time offers will be made in July, at the time of the annual deadline for enrollment.

OBSERVE OUR PROGRAMS
Enrollment officers will visit your school to present information about our majors and programs. Dates for school visits are posted online. For more information, visit umanitoba.ca/openhouse. Students should follow the school schedule and school calendar to arrange a presentation date. Students who take programming officer visits may receive an entrance scholarship offer. For information on how to accept an entrance scholarship offer visit umanitoba.ca/admissions/entrance-scholarships.

OPEN HOUSE – SEPTEMBER 15, 2016
Our annual open house allows students to experience our programs and faculties. Students can learn more about our programs, scholarship opportunities, and the application process. Students can also attend special presentations and campus tours. For full application details and to apply, visit umanitoba.ca/admissions/apply.

APPLICATION SCHEDULE FOR FALL – JANUARY 15, 2017
Applications for Fall 2017 admission will be available online in October. Students should self-report their grades on the application and must also provide two 40S courses (such as EAL or ESL) and provide an average grade of 75% across both. Students who do not qualify for an English language proficiency waiver if they have been studying in Canada for a minimum of three years must provide an official IELTS test centre. For full application details and to apply, visit umanitoba.ca/admissions/apply.

ADMISSION OFFERS
New for 2017, admission decisions for all Direct Entry programs (domestic students only) will be released in early February. Students who apply by March 1 should expect to be notified of their admission decision sometime in May. “Offers of admission must be accepted by June 1. Students who do not meet the admission requirements for Direct Entry admission to a specific university or program must apply to the University of Manitoba. Admissions officers will make a decision to offer an entrance scholarship based on the five highest grades of the student’s final high school courses.

GRADING ROBUSTNESS
Individual schools and school divisions will be asked to provide their top 5 courses and the highest grades of the student’s final high school courses. Students who apply by March 1 will be asked to provide interim grades for all Manitoba high school students who have applied to the University of Manitoba. Students who do not meet the admission requirements for Direct Entry admission to a specific university or program must apply to the University of Manitoba. Admissions officers will make a decision to offer an entrance scholarship based on the five highest grades of the student’s final high school courses.

GRADE REQUESTS
Individual schools and school divisions will be asked to provide their top 5 courses and the highest grades of the student’s final high school courses. Students who apply by March 1 will be asked to provide interim grades for all Manitoba high school students who have applied to the University of Manitoba. Students who do not meet the admission requirements for Direct Entry admission to a specific university or program must apply to the University of Manitoba. Admissions officers will make a decision to offer an entrance scholarship based on the five highest grades of the student’s final high school courses.

COURSE LISTS AND FIRST-YEAR PLANNING
The First Year Planning Tool provides comprehensive lists of recommended first year courses for all U of M degree programs. Students who are interested in a specific university degree should visit our website or contact us to arrange a presentation date. For full details, please see page 55 in the Viewbook or visit umanitoba.ca/admissions/entrance-scholarships.

CHOSEN SCHOLARSHIP SELECTIONS
Mandela and Northfielder Island high school students can nominate one student to receive an entrance scholarship valued at $1,000. To be eligible, students must: be entering their first year of university and must have completed 40S courses; have three 40S courses; have two 40S courses; and provide a minimum of 75% across both. The student with the best five eligible courses will be selected. Scholarship offers are typically distributed to students in the fall semester and may be renewed in subsequent years subject to conditions. For full application details and to apply, visit umanitoba.ca/admissions/entrance-scholarships.

SUMMER 2017
MAY – SEPTEMBER
ORIENTATION
Before starting classes in September, students attend Orientation and are welcomed to campus events, social events, contests, and visits about the campus community. Students can also attend university level courses to get an introduction to campus life. For full application details and to apply, visit umanitoba.ca/admissions/apply.
**OPEN HOUSE – FEBRUARY 2017**

Our annual open house allows students to experience a range of programs, study by attending campus events, and discuss students, and staff to learn more about our programs, scholarship opportunities, and the applications process. Students can also attend special presentations and campus tours.

Applications for Fall 2017 admission will be available online in October. Students should determine whether they want to apply to University 1 or for Direct Entry admissions. Contact us to schedule Fall School Presentations.

Students should also review the high school prerequisites on pages 48-49 and online at manitoba.ca/admissions.

Applications for Fall 2017 admission will be available online in October. Students should determine whether they want to apply to University 1 or for Direct Entry admissions. Contact us to schedule Fall School Presentations.

Students should also review the high school prerequisites on pages 48-49 and online at manitoba.ca/admissions.

REVIEW ADMISSION REQUIREMENTS AND HIGH SCHOOL PREREQUISITES

Do not apply for Direct Entry admission without first viewing the high school prerequisites on page 10 of the Fall 2016-Winter 2017-Summer 2017 Entrance Scholarship. Students should also review the high school prerequisites on pages 48-49 and online at manitoba.ca/admissions.

Students should determine whether they want to apply to University 1 or for Direct Entry admissions. Contact us to schedule Fall School Presentations.

Students should also review the high school prerequisites on pages 48-49 and online at manitoba.ca/admissions.

EXPLORE OUR PROGRAMS

Detailed information about our academic programs and faculties is available in the Viewbook and online at manitoba.ca/admissions/programs. Students should determine whether they want to apply to University 1 or for Direct Entry admissions. Contact us to schedule Fall School Presentations.

Students should also review the high school prerequisites on pages 48-49 and online at manitoba.ca/admissions.

COMPLETE THE ONLINE APPLICATION

Applications for Fall 2017 admission will be available online in October. Students will report their anticipated Grade 12 marks after completing the application and must send a $90.00 application fee (credit card or cheque payable to International Students) with their application. Login at manitoba.ca/applynow.

ADMISSION OFFERS

New for 2017, admission offers will be available for all Direct Entry programs (domestic students only) within ten working days of receipt.

Students who apply by March 1 should expect to be notified of their admission decision as early as April 15. Offers of admission must be accepted by June 1. Students who do not meet the admission requirements for Direct Entry admission in a specific faculty will not be automatically admitted in another. Students with no further application required will be notified by mid-July.

Watch manitoba.ca/admissions/international for the latest information.

INTEGRATED COURSE LISTINGS

Tuition amounts and book requirements are also available. Tuition amounts and book lists are posted online to students after they register for classes.
ACCESSIBILITY SERVICES
Students with accessibility issues are encouraged to connect with Student Accessibility Services (SAS) to arrange a consultation. SAS can provide assistance for students with a wide range of accessibility needs, from note-taking services to interpreters and counselling.

umanitoba.ca/student/accessibility

ACTIVITIES AND RECREATION
All U of M students have access to our diverse recreation and fitness facilities, including our newest Active Living Centre, as well as a year-round pool and rich, much-visited, indoor recreation facilities. Students interested in staying healthy and women’s varsity-level sports at M, are encouraged to contact the coach for their sport of interest for more information about tryouts. Contact information for coaches can be found in the staff directory on the Bison Sports website:

umanitoba.ca/staffdirectory

CAREER PLANNING RESOURCES
Students and counsellors can benefit from a wide array of free career planning resources through the U of M. Career Compass is a member of specific university degrees, from first-year to graduation, providing insight into the opportunities and alumni stories along the way. Additional planning resources through the U of M. Career Compass is a new resource that maps out specific university degrees, from year one through to graduation, outlining required courses, volunteer opportunities and placement options along the way. Additional resources focused on job search, cover letters, resumes and more can be found in the Career Services website:

COLLEGES

Colleges provide facilities and programs to create a community within a community for U of M students. For example, the faculty of arts (under 120), students can take on the roles of four colleges – St. John’s College, St. Paul’s College, St. Andrew’s College, or University College – and take advantage of exclusive scholarship supports, access to unique study space and smaller class sizes. Services, facilities and financial supports vary by college.

umanitoba.ca/colleges

INDIGENOUS COMMUNITY

The U of M hosts the largest community of more than 3,000 First Nations, Métis and Inuit students. Indigenous Affairs – Bold Eagle Lodge services as a haven away from home for Indigenous students and focuses the Indigenous Student Centre where students can meet with academic and cultural counselling. Public speaking and mentorship programs give students the confidence and knowledge to become leaders in their community, while Access and Aboriginal Focus programs provide academic, financial and cultural support to students overcoming social, economic, geographic and academic barriers. Contact us for more information on how we can support your Indigenous students.
