Section 1: General Statement

The purpose of this bulletin is to provide information to prospective applicants to the Faculty of Arts at the University of Manitoba. This document outlines categories of admission, requirements and deadlines.

This bulletin is available with, and constitutes part of, the application. It is assumed that all applicants have read and understood it prior to submitting the completed application.

Programs Offered: Bachelor of Arts Integrated Studies (B.A.I.S.)

The Bachelor of Arts Integrated Studies is a 90 credit hour degree program offered by the Faculty of Arts in collaboration with Extended Education. The program is geared to serve working adults who have completed some post-secondary education. The degree requires areas of Concentration rather than the traditional Major/Minor requirement, providing a more flexible path for degree completion while also ensuring academic rigor (e.g., appropriate writing and quantitative skills, breadth requirements, and an appropriate percentage of upper level courses).

The degree will formally recognize the education
completed by certificate or diploma holders. In addition to a flexible curriculum model (e.g., Concentrations of study rather than the traditional Major/Minor approach) the program will provide flexible course scheduling suitable for working adults. Hence, variable modes of delivery (e.g., blended, online, videoconference, weekend/evening) would be incorporated as needed.

For a detailed description of the Bachelor of Arts Integrated Studies (B.A.I.S.) program please see Section 8: Other Information, A. Program Description.

Section 2: Eligibility Requirements

A. Academic Requirements

The following information details the requirements for admission to the Faculty of Arts: B.A. Integrated Studies Degree Program.

NOTE: Applicants will be subject to the Faculty regulations and requirements for continuation in an Arts degree program that are detailed in the University of Manitoba Academic Calendar

**D. Transfer Credit Information**

At the University of Manitoba, all course work from a recognized prior post-secondary institution will be considered as part of the application for admission process for all undergraduate degree and diploma programs.

Courses are evaluated for advanced standing or transfer credit on a course-by-course basis and assigned a University of Manitoba equivalent, where applicable. Where a direct equivalent does not exist, students may receive general (unallocated) credit. The regulations regarding transfer credit are program specific and vary considerably depending on the faculty or school of application. The Faculty of Arts will only consider external courses completed within the last ten (or fewer) years for course by course evaluation. BAIS applicants with coursework exceeding 10 years may be considered for elective credit, as determined by the Faculty of Arts regulations.

Courses deemed acceptable for transfer credit will be awarded, subject to program approval, up to the maximum allowed under the program of admission, based on the Faculty or School’s transfer credit policy and residency requirements (consult the section of the University’s Academic Calendar at: [www.umanitoba.ca/calendar](http://www.umanitoba.ca/calendar) for details).

Students may be asked to provide comprehensive and accurate course outlines or syllabi, as issued by their institution of study, for all courses lacking a current evaluation. Course outlines or syllabi should include information on: course objectives, outline of the units studied, textbook(s) used, assignments, and accompanying laboratory information, if applicable, to assist in the transfer credit assessment process.

For information on current course evaluations receiving credit, please visit: [www.umanitoba.ca/admissions/tc](http://www.umanitoba.ca/admissions/tc)

While we appreciate that some institutions do not have course information readily available, many students have been able to provide the information requested by contacting the individual departments or instructors at their prior institutions. Students that are unable to provide the requested course information may render themselves ineligible for programs with specific course requirements. In cases where outlines have not been provided, unsuccessful course attempts, including F grades, may be assessed as part of the academic assessment regulations of a student’s program of study. Only successful applicants will be notified of transfer credit results.

Additional information related to transfer credit may be found at: [http://umanitoba.ca/student/admissions/application/deadlines/transfer-credit.html](http://umanitoba.ca/student/admissions/application/deadlines/transfer-credit.html)

In addition to the above policies, students who have completed one of the following Certificate Programs, with a minimum 2.5 CGPA, will receive transfer credit for course(s) completed in the certificate program subject to Faculty of Arts transfer credit policies:

1. University of Manitoba Certificate in Financial and Management Accounting (FMA)

3. University of Manitoba Certificate in Adult and Continuing Education (CACE)

4. Canadian Institute of Management Certificate Program in Management and Administration (CIM) from any accredited post-secondary institution

5. University of Manitoba Certificate in Applied Management (CAM)

6. University of Manitoba Certificate Program in Public Sector Management (CPSM)

Section 4: Selection Process

A. Selection

1. Transfer students

Transfer students can apply for admission online. Each application will be considered on an individual basis by the Admissions Officer after all necessary official documentation has been received by the Admissions Office. Official notification of the admission decision will be provided by email as soon as this decision has been completed. Students who fail to submit all the required documentation by the documentation deadline date will not be considered.

2. B.A. Integrated Studies Returning Students

Former students of the B.A. Integrated Studies degree program, who have not yet completed their degree and who have not attended any other post-secondary institution in the time since leaving the Faculty, may apply for readmission as returning students. If it has been less than ten years since your last attendance in the Faculty, you can simply contact the Faculty directly and ask for your records to be reactivated by filling out the Permission to Re-Register in Arts form. If it has been ten or more years, you need to apply for readmission as a returning student. All of your previous credits, both for courses taken at the University of Manitoba and any transfer credit you were granted for work taken at another institution, will apply to your Arts degree.

If you have attended another post-secondary institution or another Faculty since the time you were a student in the Faculty of Arts, you must apply for admission as a Regular Student, regardless of the time since last a student in Arts.

B. Notification of Decision

Once a decision has been made, all applicants will receive an email notifying them to log into their application portal to view the decision. Students that are offered admission will be required to confirm their acceptance. If you do not accept the offer by the deadline date indicated in the letter, your offer will lapse and you will need to contact our office to discuss the possibility of an extension. It is imperative that your email account remains current and that you check it regularly or arrange for someone to check it in your absence.

Section 5: Reconsideration & Appeals

Individuals who wish to have their applications reconsidered should submit their request to the Admissions Office. Past experience has shown that most inquiries can be satisfied at this level without further reference. Persons wishing reconsideration of the decision shall direct their request to the Admissions Office within ten (10) days of the posted decision date.

Should the student wish to pursue the reconsideration decision of the Selection Committee further, such an appeal will be made in accordance with the Senate Committee on Admission Appeals Procedures. http://umanitoba.ca/admin/governance/governing_documents/students/admission_appeals.html

Applicants are advised that appeals of reconsideration decisions by the Senate Admissions Appeal Committee focus on questions of correct adherence to published policies and procedures, and NOT on subjective issues or the relative merits of the application.

Section 6: Counselling of Applicants

The Faculty of Arts and Admissions Office are able to assist applicants who seek counselling regarding admission to the Faculty of Arts. However, it is policy not to instruct applicants as to a specific course of action they should follow, but rather to provide the information needed for applicants to make their own choice with respect to the alternatives available. The following points require special attention:
1. Applicants are encouraged to discuss their plans with all who can usefully advise them, but they should be aware that second and third hand information about admission policies may not be accurate.

2. No official at the university can guarantee the admission of any applicant. Admission is determined by the Committee on the basis of an annual competition.

3. All applicants are advised to supplement any personal enquiries with a written request so that an official written response can be made. It is only these written responses which will be considered as evidence of any advice given (see Section 7: Contact Information).
