EXPLORE OUR PROGRAMS
Detailed information about our academic programs is available online atumanitoba.ca/admissions/programs. Students should determine whether they want to apply to University 1 or for Direct Entry admission to a specific faculty.

REVIEW ADMISSION REQUIREMENTS
Direct Entry admission requirements can be found in the fold-out admissions chart in the Viewbook (behind page 21) and online atumanitoba.ca/admissions.

REVIEW HIGH SCHOOL PREREQUISITES
Students should determine if specific high school courses are needed for their program of interest. High school prerequisites can be found in the fold-out admissions chart in the Viewbook (behind page 21) or listed by program atumanitoba.ca/firstyear.

FALL PRESENTATIONS
Contact our team to arrange a presentation at your school about the U of M’s programs and how to apply.

APPLY FOR ADMISSION
Applications for Fall 2020 admission will be available online in October. Students will self-report their anticipated Grade 12 marks when applying and must pay a $100 application fee ($120 for international students).

EVENING OF EXCELLENCE – OCTOBER 29, 2019
Students and parents can attend this fall open house to learn more about our programs and meet with faculty, current students and staff.

LEADER OF TOMORROW SCHOLARSHIPS
Applications for the BMO Financial Group Leader of Tomorrow and Indigenous Leader of Tomorrow Scholarships, valued at $16,000 ($4,000/year over four years), will be available online in October and must be submitted by Dec. 1.

UNIVERSITY 1 (U1)
• Students should consider applying to University 1 (U1) if they are seeking a flexible first year in which they can balance or blend requirements for one or more programs of interest.
• U1 is also ideal for students who do not meet the higher admission requirements required for Direct Entry admission to a specific faculty, or who are interested in Advanced Entry programs that admit students only after some prior university study (e.g., Nursing, Environmental Design).
• U1 does not add extra time or cost to a degree and serves as year 1 of any 3 or 4 year degree program.

DIRECT ENTRY
• Students can apply for Direct Entry admission to specific faculties (such as Engineering or Business) if they are confident this is to be their program of study, if they meet the specific admission requirements for the program, and if they want to take advantage of program-specific advising and supports.
• Students who apply for Direct Entry admission but do not meet the admission requirements for their chosen program will be automatically admitted to University 1 (provided they still meet the U1 admission requirements)—no second application is required.

PREPARE FOR REGISTRATION
Admitted students will register for their first-year university classes in mid-July. Students are encouraged to review the First Year Planning Guide and connect with academic advisors in June, prior to the UM Orientation.

EVENING OF EXCELLENCE – OCTOBER 29, 2019
Students and parents can attend this fall open house to learn more about our programs and meet with faculty, current students and staff.

LEADER OF TOMORROW SCHOLARSHIPS
Applications for the BMO Financial Group Leader of Tomorrow and Indigenous Leader of Tomorrow Scholarships, valued at $16,000 ($4,000/year over four years), will be available online in October and must be submitted by Dec. 1.

SCHOLARSHIP OFFERS
Students who do not qualify for a waiver will be required to write a scholarship offer for details on how to accept their scholarship.

UM ORIENTATION
International students finishing their high school education in Canada are encouraged to attend orientation events and NEXT STEPS PRESENTATIONS
Recruitment officers will visit your school to provide information about scholarships and bursaries, academic, cultural and staff.

APPLICATION DEADLINE FOR MUSIC – JANUARY 15, 2020
Applicants will be required to complete auditions and theory assessments in February 2020.

OPEN HOUSE – FEBRUARY 20, 2020
Students can experience a day in the life of a university student by attending sample university lectures, faculty presentations, tours, an information fair and more.
umanitoba.ca/openhouse

APPLICATION DEADLINE – MARCH 1, 2020
The application deadline for all Direct Entry programs is March 1, 2020.* Students who apply by this deadline will also be considered for general entrance scholarships.

*Note: University 1 will accept late applications until August 1, 2020. However, students are still highly encouraged to apply by March 1, 2020.

ENTRANCE SCHOLARSHIPS
General entrance scholarships range in value from $1,000—$3,000 and are awarded to students with averages of 85% or higher across a select spectrum of Grade 12-level courses. Students must apply before March 1, 2020 to be eligible.

For full details (including a list of approved courses), visit umanitoba.ca/student/entrance_awards or see page 26 in the Viewbook.

GRADE REQUESTS
Individual schools and school divisions will be asked to provide interim grades for all Manitoba high school students who have applied to the University of Manitoba by March 1. Final grades will also be requested in June. Details about grade submission can be found online at umanitoba.ca/counsellors.

UNDERSTANDING THE APPLICATION PROCESS

CONDITIONAL OFFERS OF ADMISSION
- Students who apply prior to March 1, 2020 may receive a conditional offer of admission based on their self-reported grades.
- Conditional offers are provided for select programs between December and March depending on the date of application and are not to be confused with official admission offers, which are provided after first semester final and second semester interim grades have been assessed.

INDIGENOUS SELF-DECLARATION
- As students complete their applications for admission, there is an opportunity to self-declare as a First Nation, Metis or Inuit student and receive personalized communications from the U of M.
- After accepting their offer of admission, students who self-declare can choose to receive a bi-weekly e-newsletter with information about scholarships and bursaries, academic, cultural and social opportunities, jobs and careers, upcoming events, and more.
Next Steps Presentations
Recruitment officers will visit your school to provide information about the next steps of becoming a university student, including how to register for courses and accessing first year course lists. Online resources are also available.

umanitoba.ca/nexsteps

Admission Offers
Students who apply by March 1 and have submitted all required documents by the deadlines provided in their Application Portal should expect to be notified of their admission decision sometime in May or June. Most offers of admission must be accepted by June 1.

SCHOLARSHIP OFFERS
Entrance scholarship offers are typically provided to eligible students in May or June, shortly after admission offers have been made. Students should follow the instructions in their entrance scholarship offer for details on how to accept their scholarship.

Chown Scholarship Selections
Manitoba and Northwestern Ontario high schools can nominate students to receive the Chown Centennial Entrance Scholarship, valued at $1,000. Selection packages are typically distributed to counsellors in May and must be returned in late June.

Prepare For Registration
Admitted students will register for their first-year university classes in mid-July. Students are encouraged to review the First Year Planning Guide and connect with academic advisors in June, prior to the registration period.

umanitoba.ca/firstyear

UM Orientation
Students are encouraged to attend orientation events and workshops over the summer months to prepare for the start of classes in September. Online orientation resources are also available.

umanitoba.ca/orientation

International Students in Canadian High Schools
- International students finishing their high school education in Canada must demonstrate English language proficiency depending on their home country and the amount of time they have been studying in Canada.
- Students may qualify for an English language proficiency waiver if they have been studying in Canada for a minimum of three consecutive years (taking five courses in each of the three years) at an English language high school (transcripts for the minimum three years of study must be provided), or if they take two 40S-level English courses (such as EAL 40S) and achieve an average grade of 75% across both.

- Students who do not qualify for a waiver will be required to write a test such as TOEFL IBT, CANTest, or IELTS. Our English Language Centre (ELC) also offers an Intensive Academic English Program. For full details, see page 23 in the Viewbook or visit umanitoba.ca/admissions/international.
**ACCESSIBILITY SERVICES**

Students with accessibility needs are encouraged to connect with Student Accessibility Services (SAS) to arrange a consultation. SAS can provide assistance for students with a wide range of accessibility needs, from note taking services to interpreters and counselling. Students are encouraged to contact SAS to discuss their accessibility needs well before the start of classes (at least one month prior is strongly recommended).

umanitoba.ca/student/accessibility

**ATHLETICS AND RECREATION**

All U of M students have access to our diverse recreation and fitness facilities, including our state-of-the-art Active Living Centre, an indoor pool, a year-round ice rink and much, much more. Students interested in playing men’s and women’s Bison sports at the U of M are encouraged to contact the coach for their sport of interest for information about tryouts. Contact information for coaches can be found in the staff directory on the Bison Sports website.

gobisons.ca

**CAREER PLANNING RESOURCES**

Students and counsellors can utilize a wide array of free career planning resources through the U of M. Career Compass is an online resource that maps out specific university degrees, from year 1 through to graduation, outlining required courses, volunteer opportunities and alumni stories along the way. Additional resources focused on job search, cover letters, resumes and more can be found on the Career Services website.

umanitoba.ca/student/careerservices

**COLLEGES**

Colleges provide facilities and programs to create a community within a community for U of M students. For a nominal fee (usually under $20), students can join one of our four colleges – St. John’s College, St. Paul’s College, St. Andrew’s College, or University College – and take advantage of exclusive scholarship support, access to unique study space, and smaller class sizes. Services, facilities and available financial supports vary by college.

umanitoba.ca/colleges

**FIRST YEAR PLANNING RESOURCES**

The First Year Planning Guide provides an overview of how to register for university courses. Students and counsellors can use this online guide to look up the required and recommended first year courses for any U of M degree program, as well as any specific high school courses that may be required.

umanitoba.ca/firstyear

**STUDENT RESIDENCES**

Students interested in living on-campus in a student residence building should apply online; applications are available in November and rooms are allocated on a first-come, first-served basis. Students can choose from single or double rooms and amenities differ between buildings. Off-campus housing resources are also available to help connect students with potential rentals, sublets, and roommates.

umanitoba.ca/housing

**INDIGENOUS COMMUNITY**

- The U of M is home to more than 2,500 First Nations, Metis and Inuit students.
- Migizii Agamik - Bald Eagle Lodge serves as a home away from home for Indigenous students and houses the Indigenous Student Centre, where students can meet with Elders in Residence to receive cultural and personal support and Indigenous student advisors for academic support.
- Public speaking, mentoring, and financial wellness programs give students the confidence and know-how to become leaders in their community, while the Qualico Bridge to Success Program helps new Indigenous students transition from high school to university with summer programming and Indigenous academic labs for introductory classes.
- Students overcoming social, economic, geographic, and academic barriers can also take advantage of our Access Program for academic, financial, and tutoring support (application deadline is May 1).

We welcome you to a diverse and inclusive learning environment where everyone—from all backgrounds and perspectives—is respected, valued and can thrive. At the University of Manitoba, we are committed to Indigenous achievement and reconciliation, to equity of access and opportunity for all U of M students, faculty and staff.
