Section 1: General Statement

The purpose of this bulletin is to provide information to prospective applicants to the Faculty of Kinesiology and Recreation Management at the University of Manitoba. This document outlines categories of admission, requirements and deadlines.

Section 2: Eligibility Requirements

A. Academic Requirements

Requirements for admission to the Faculty of Kinesiology and Recreation Management degree programs for the 2017-2018 session are:

- Successful completion of at least one year of university level study (24 credit hours). Equivalent courses completed at other universities or post-secondary institutions will be considered for admission and transfer credit only if the courses have been taken within the last 10 years. (Work completed at the college level may be acceptable;
see Section 4: Selection Process, A. Calculation of the Adjusted Grade Point Average (AGPA))

**NOTE:** It is expected that these courses will be completed by the end of the 2017 April examination period. Students who need to complete courses during the 2017 Summer Session to meet the minimum 24 credit hour requirement will only be considered for admission on a space available basis after all other eligible students have been considered.

- A minimum Adjusted Grade Point Average (AGPA) of 2.0 (C) (see Section 4: Selection Process, A. Calculation of the Adjusted Grade Point Average (AGPA))

**NOTE:** Successful completion of Year 1 Biology is strongly recommended in order to proceed in Year 2 courses for the BKin Program and BPE Program.

**Additional requirements for the Bachelor of Kinesiology, Athletic Therapy Program only**

**1. Biology Requirement**
Completion of Biology 1020 and 1030 (or equivalent) with a minimum grade of ‘C’, or completion of Biology 1000 and Biology 1010 (or equivalent) with a minimum grade of ‘C+’, by the end of the April 2017 examination period.

**2. Valid certification in Health Care Provider, Basic Rescuer CPR and Standard Red Cross First Aid** completed prior to commencement of classes in the Athletic Therapy Program.

**NOTE:**

- Applicants satisfying these requirements are eligible for consideration. However, selection is academically competitive and attainment of the minimum requirements does not guarantee selection and admission.

- Students applying for the BKin-AT Program will automatically be considered for the BKin Program if they are not admitted into the BKin-AT and are competitive for admission into the BKin Program.

**B. English Language Proficiency Requirements**

All applicants whose primary language is not English and do not qualify for a waiver under the University of Manitoba’s English language proficiency regulations will be required to demonstrate proficiency in English through one of the options listed at the University of Manitoba Admissions web site.

See below links to view English Proficiency Wavier information:

[http://umanitoba.ca/student/admissions/international/english/waiver-criteria.html](http://umanitoba.ca/student/admissions/international/english/waiver-criteria.html)

See below links to view specific English Proficiency Requirement information:

**Results for most language tests, including TOEFL, IELTS and CanTEST, expire two years from the test date. Test scores must be valid at the start of classes. Please confirm the validity of your test results.**

**Section 3: Application Process & Deadlines**

**A. Application Fees**

Canadian/Permanent Residents: $90.00
International applicants: $120.00

Applications are not considered received until the application is submitted and the application fee has been paid by the posted deadline.

All correspondence, including decision release information will be sent via email.

*Please ensure your email account remains current and will accept emails from the University of Manitoba. Check your filters.*
B. Deadlines and Important Dates

1. Kinesiology, Athletic Therapy and Physical Education

C. Required Application Documentation

The following documents will be required to complete your application:

- **Interim official transcripts** showing current registration are to be submitted when applying or shortly thereafter.

- **Final official transcripts** from any university or college attended other than University of Manitoba are required. Student copies or photocopies are not acceptable. Transcripts become the property of University of Manitoba and will not be returned.

**NOTE:** It is the applicant’s responsibility to inform the Admissions Office in writing of any deferred exams or grade changes. All final grades, including grade changes must be submitted to the Admissions Office by the document deadline in order for them to be included in the final selection process.

- **Course Outlines** for coursework completed at accredited post-secondary institutions including universities and colleges are required. It may take several weeks to evaluate a transcript from another accredited post-secondary institution for possible credit transfer and admission eligibility. The Admissions Office must be able to evaluate previous coursework before the final admission selection process can be completed (see Section 4: Selection Process).

- **Immigration documents** are required if born outside of Canada.

- **Name change documentation** is required if name change has occurred as a result of marriage, divorce or other reason.

- **Proof of proficiency in the use of the English language** (see Section 2: Eligibility Requirements, B. English Language Proficiency Requirements).
• **Individual Consideration Category Statement** is required from all Individual Consideration Category applicants. The completed statement should be uploaded to the application no later than March 1, 2017 (May 1, 2017 for Recreation Management). Your statement should include why you merit consideration in the Individual Consideration Category based on the group(s) you indicated. It should also outline the attributes that make you an ideal candidate for your program of choice.

Candidates who do not submit the statement by the posted deadline will be considered only in the Regular applicant pool.

Please send all documentation to the following address:

Admission for Kinesiology and Recreation Management
Enrolment Services, 424 University Centre
University of Manitoba, Winnipeg, MB R3T 2N2

Applications are not complete until all necessary documents are received. It is the applicant’s responsibility to ensure that our office receives all required information.

**D. Transfer Credit Information**

At the University of Manitoba, all course work from a recognized prior post-secondary institution will be considered as part of the application for admission process for all undergraduate degree and diploma programs.

Courses are evaluated for advanced standing or transfer credit on a course-by-course basis and assigned a University of Manitoba equivalent, where applicable. Where a direct equivalent does not exist, students may receive general (unallocated) credit. The regulations regarding transfer credit are program specific and vary considerably depending on the faculty or school of application. Faculties and schools will only consider external courses completed within the last ten (or fewer) years.

Courses deemed acceptable for transfer credit will be awarded, subject to program approval, up to the maximum allowed under the program of admission, based on the Faculty or School’s transfer credit policy and residency requirements (consult the section of the University’s Academic Calendar at: www.umanitoba.ca/calendar for details).

Students may be asked to provide comprehensive and accurate course outlines or syllabi, as issued by their institution of study, for all courses lacking a current evaluation. Course outlines or syllabi should include information on: course objectives, outline of the units studied, textbook(s) used, assignments, and accompanying laboratory information, if applicable, to assist in the transfer credit assessment process.

For information on current course evaluations receiving credit, please visit: www.umanitoba.ca/admissions/tc

While we appreciate that some institutions do not have course information readily available, many students have been able to provide the information requested by contacting the individual departments or instructors at their prior institutions. Students that are unable to provide the requested course information may render themselves ineligible for programs with specific course requirements. In cases where outlines have not been provided, unsuccessful course attempts, including F grades, may be assessed as part of the academic assessment regulations of a student’s program of study. Only successful applicants will be notified of transfer credit results.

Additional information related to transfer credit may be found at: http://umanitoba.ca/student/admissions/application/deadlines/transfer-credit.html

---

**Section 4: Selection Process**

160 students will be admitted to the Faculty of Kinesiology and Recreation Management degree programs each year. Typically, 20 positions are held for the BKin-AT degree program, 60 positions for the BKin degree program, 40 positions for the BPE degree program, and 40 positions for the BRMCD degree program.

**A. Calculation of the Adjusted Grade Point Average (AGPA)**

Selection is competitive and will be based on the applicant’s Adjusted Grade Point Average (AGPA)
which will be calculated for each applicant. If a student has completed 24 to 30 credit hours of university or university equivalent work, the AGPA will be the student’s cumulative grade point average over the total university and/or college work determined to be equivalent to university level regardless of faculty or school completion.

If a student has completed more than 30 credit hours of university work, then the AGPA will be calculated from the most recently completed 30 credit hours of university or university equivalent work. If it is not possible to clearly identify the most recently completed 30 credit hours of work, the sessional average of the session containing the remainder of the 30 credit hours will be used as a representative grade for the remaining hours.

NOTES:

- It is the applicant’s responsibility to inform the Admission Office in writing of any deferred exams or grade changes. All final grades, including grade changes must be submitted to the Admissions Office by the document deadline in order for them to be included in the final selection process. Grade changes will not be accepted after the documentation deadline date. If a grade is not available by the documentation deadline date, an ‘F’ grade will be used in the final admission determination and calculation.

- The Faculty of Kinesiology and Recreation Management accepts credit for community college, technical college, or other accredited college course equivalents as assigned by the relevant discipline departments at the University of Manitoba. Such courses are considered for potential transfer credit to the programs and only those courses will be used in establishing eligibility (24 credit hours of university level coursework).

- In the calculation of the AGPA, all courses which have been assigned a final grade are considered “completed” university work, including failed courses. The only exception to this will be courses which have been repeated; in these cases, only the latest attempt of the course, because of the Repeat Rule, will be used in the calculation of the AGPA. Courses graded Pass/Fail will be included in the credit hour count but excluded from the AGPA calculation.

- Courses completed on a full or part-time basis, in all undergraduate and graduate programs, and in Regular and Summer Sessions will be used in the AGPA calculation.

B. Individual Consideration Category

The mission statement of the Faculty of Kinesiology and Recreation Management is the discovery and dissemination of knowledge related to physical activity, human movement, sport, and leisure to improve the health, well-being and quality of life of Manitobans, Canadians and citizens of the world. To achieve this mission, it is important that the student body within our degree programs is representative of the rich diversity of peoples within the province. A diverse student body enriches the overall teaching and learning climate. The faculty recognizes the need to ensure that its recruitment and admission policies and procedures actively promote the achievement of these and other University of Manitoba priorities.

1. For the purpose of identification, Individual Consideration will include applicants who identify as one of the following underrepresented group:

a) Canada Indigenous Peoples
   An Indigenous person is a member of a Canadian First Nation, Métis or Inuit community.

b) Racialized Minorities
   Those individuals, other than Indigenous/Aboriginal peoples, who, because of their ethnicity, are a “visible” minority in Canada; to include recent immigrants and refugees.

c) Mature Students
   Students whose age and experience combine to provide them with a unique perspective in relation to the fields of kinesiology, recreation and physical education. This may include those who have an experiential background in sport, physical activity, recreation, the arts or other human service fields (for example, social work, education, nursing, fitness trainer, paramedic, teaching aid) or have been employed full-time for a substantial period of time (i.e., more than three years).

d) ACCESS Program Students
   Those who are members of the University of Manitoba ACCESS program.
e) Persons with Disabilities
Persons with disabilities are those who would consider themselves disadvantaged by reason of any physical, intellectual, mental, sensory or learning impairment.

f) Exceptional Circumstances

2. Have an acceptable academic background, including successful completion of at least one year of study (24 credit hours at the University of Manitoba, or its equivalent, and a minimum AGPA of 2.0.

NOTES:
• No more than 10 percent of the total entering class will be admitted to each degree program in this category each year.

• Students wishing to be considered in the Individual Consideration category must select the Individual Consideration applicant type as well as fill out the Individual Consideration questions available on the Faculty of Kinesiology and Recreation Management application form.

• Individual Consideration applicants will automatically be considered in the general applicant pool and, if competitive, will be offered admission in that category. Students who are not admitted, but who meet the criteria for the Individual Consideration Category, will then be individually considered for admission.

• Applicants will be considered by the Dean. All decisions will be final and not subject to appeal.

C. Tie Breaking Procedure for Offers
In the event of a tie, the following procedure will be used:

1. Increase the number of significant figures used in the calculation.

2. Where a tie still exists, the application that was received first will be used to break the tie. All completed applications are time stamped upon submission; in the case of a paper application, these applications will be time stamped after they have been entered into the system by a University of Manitoba Admissions Office staff member.

D. Notification of Decision
Once a decision has been made, all applicants will receive an email notifying them to log into their application portal to view the decision. Students that are offered admission will be required to confirm their acceptance. If the offer is not accepted and the subsequent deposit paid by the deadline date indicated in the letter, the offer will lapse. Lapsed offers will be considered a declined response. It is imperative that email accounts remain current and are regularly checked.

Applicants offered admission will have 10 business days to respond and will be required to pay a non-refundable deposit of $100.00 to indicate their acceptance of the offer. This deposit will be credited to first year fees or forfeited if the applicant subsequently declines.

Section 5: Reconsideration and Appeals

Individuals who wish to have their applications reconsidered should submit their request to the Chair of the Selection Committee. Past experience has shown that most inquiries can be satisfied at this level without further reference. Persons wishing reconsideration of the decision of the Selection Committee shall direct their request to the Chair within ten (10) days of the posted decision date (see Section 7: Contact Information).

Should the student wish to pursue the reconsideration decision of the Selection Committee further, such an appeal will be made in accordance with the Senate Committee on Admission Appeals Procedures.

http://umanitoba.ca/admin/governance/governing_documents/students/admission_appeals.html

Applicants are advised that appeals of reconsideration decisions by the Chair of the Selection Committee and the Senate Admissions Appeal Committee focus on questions of correct adherence to published policies and procedures outlined in this document, and NOT on subjective issues or the relative merits of the application.
Section 6: Counselling of Applicants

The Faculty of Kinesiology and Recreation Management and Admissions Office are able to assist applicants who seek counselling regarding admission to the Faculty of Kinesiology and Recreation Management. However, it is policy not to instruct applicants as to a specific course of action they should follow, but rather to provide the information needed for applicants to make their own choice with respect to the alternatives available. The following points require special attention:

1. Applicants are encouraged to discuss their plans with all who can usefully advise them, but they should be aware that second and third hand information about admission policies may not be accurate.

2. No official at the university can guarantee the admission of any applicant. Admission is determined by the Committee on the basis of an annual competition.

3. All applicants are advised to supplement any personal enquiries with a written request so that an official written response can be made. It is only these written responses which will be considered as evidence of any advice given (see Section 7: Contact Information).
