The Advanced Entry option is for applicants who have completed one year (24 credit hours) or more of studies in another faculty at the University of Manitoba or another recognized post-secondary institution.

Applicants in this category will have fulfilled all Eligibility Requirements as described below. Students must:

1. Complete a minimum of 24 credit hours from a recognized university or college.

2. Achieve a Cumulative Grade Point Average (CGPA) of 2.0 or higher. (see Section 4: Selection Process, A. Calculation of the Cumulative Grade Point Average (CGPA))

B. Non-Academic Requirements

All applicants (Direct Entry and Advanced Entry) must meet the following non-academic requirements in addition to the applicable academic requirements.

1. Letters of Recommendation

Applicants require two letters of recommendation. These are usually completed by the applicant’s high school music teacher and/or private music instructor. We are collecting this information in the strictest of confidence and it will not be released to the applicant. This is done to ensure the integrity of the recommendation process.

2. Audition

The audition may be up to 30 minutes in length, which allows for 10 to 12 minutes of prepared music. If the music chosen exceeds this length, only portions of the audition repertoire may be heard. In addition to the prepared pieces, applicants will be asked to sight-read and/or sing. The audition will include a short interview. Aural and technical skills may be assessed.

Students auditioning in classical instrument or voice should have achieved a minimum performance level comparable to Royal Conservatory of Music/Conservatory Canada: Grade 6 for Organ; Grade 7 for Voice and Wind Instruments; Grade 8 for Piano and Stringed Instruments.

Students auditioning in person in the classical area (voice or instrumental) are required to provide their own accompanist.

Students auditioning in person in the jazz area (instrument or voice) pay a $25 accompanist fee. The $25 fee will partially offset the cost of a faculty provided rhythm section at the audition. The $25 fee is paid directly to the Faculty of Music General Office – Room 319, 150 Dafoe Road. Methods of payment are: cheque (payable to the University of Manitoba mailed or in person), cash, Visa or Mastercard (in person only). This fee must be paid before the audition.

Bachelor of Music (B.Mus.)

- Audition requirements vary by area of application. Please refer to the following webpage for specific audition requirements by area: http://umanitoba.ca/faculties/music/prospective/Undergraduate.html

Bachelor of Jazz Studies (B.Jazz)

- Please refer to http://umanitoba.ca/faculties/music/prospective/Undergraduate.html for audition requirements

Out of Province Applicants

Although an in-person audition is highly recommended, students may audition with a high quality video recording. The recording must show the applicant performing, NOTE: audio-only submissions will not be accepted. Recordings may be submitted by DVD or uploaded to a sharing service (e.g. private YouTube channel). Please ensure your DVD is sent directly to the Desautels Faculty of Music.

Please include the name and complete contact information for a teacher who is willing to proctor your written theory test if you are unable to audition in person.
**Audition Dates and Times**

Auditions will take place any time between 8:30 am and 5:30 pm. The audition dates for September 2020 admission are February 10 - 14, 2020 (additional dates may be added if application pool is large enough that they are needed). Please ensure that you are available throughout the entire audition period. If you are unable to audition during our advertised dates, please contact the Desautels Faculty of Music in advance.

To be considered for Desautels Faculty of Music scholarships, applicants must meet the application deadline and audition during the advertised audition dates.

**3. Written Theory Test**

Assesses competency in music rudiments and is usually written on the day of the in-person audition. A grade of 70% or higher is required for admission to the Desautels Faculty of Music. Royal Conservatory Advanced Rudiments or equivalent is generally adequate preparation. A sample theory test is available at:

D. Transfer Credit Information

At the University of Manitoba, all course work from a recognized prior post-secondary institution will be considered as part of the application for admission process for all undergraduate degree and diploma programs.

Courses are evaluated for advanced standing or transfer credit on a course-by-course basis and assigned a University of Manitoba equivalent, where applicable. Where a direct equivalent does not exist, students may receive general (unallocated) credit. The regulations regarding transfer credit are program specific and vary considerably depending on the faculty or school of application. Faculties and schools will only consider external courses completed within the last ten (or fewer) years.

Courses deemed acceptable for transfer credit will be awarded, subject to program approval, up to the maximum allowed under the program of admission, based on the Faculty or School's transfer credit policy and residency requirements (consult the section of the University's Academic Calendar at: www.umanitoba.ca/calendar for details).

Students may be asked to provide comprehensive and accurate course outlines or syllabi, as issued by their institution of study, for all courses lacking a current evaluation. Course outlines or syllabi should include information on: course objectives, outline of the units studied, textbook(s) used, assignments, and accompanying laboratory information, if applicable, to assist in the transfer credit assessment process. For information on current course evaluations receiving credit, please visit: www.umanitoba.ca/admissions/tc

While we appreciate that some institutions do not have course information readily available, many students have been able to provide the information requested by contacting the individual departments or instructors at their prior institutions. Students who are unable to provide the requested course information may render themselves ineligible for programs with specific course requirements. In cases where outlines have not been provided, unsuccessful course attempts, including F grades, may be assessed as part of the academic assessment regulations of a student's
program of study. Only successful applicants will be notified of transfer credit results.

Additional information related to transfer credit may be found at:
http://umanitoba.ca/student/admissions/application/deadlines/transfer-credit.html

Section 4: Selection Process

A. Calculation of the Cumulative Grade Point Average (CGPA)

The Cumulative Grade Point Average will be calculated using all recognized post-secondary course work including original grades of repeated courses.

It is the applicant’s responsibility to inform the Admission Office in writing of any deferred exams or grade changes. All final grades, including grade changes must be submitted to the Admissions Office by the document deadline in order for them to be included in the final selection process. Grade changes will not be accepted after the documentation deadline date. If a grade is not available by the documentation deadline date, an ‘F’ grade will be used in the final admission determination and calculation.

B. Notification of Decision

Decisions will be posted to the applicant’s portal. Applicants must log into their application portal to view the decision and to accept or decline their offer. If the offer is not accepted and the subsequent deposit paid by the deadline date indicated in the letter, the offer will lapse. Lapsed offers will be considered a declined response. It is imperative that email accounts remain current and that emails and application portals are regularly checked.

Section 5: Reconsideration & Appeals

Individuals who wish to have their applications reconsidered should submit their request in writing to the Admissions Office. Past experience has shown that most inquiries can be satisfied at this level without further reference. Persons wishing reconsideration of the decision shall direct their request to the Admissions Office within ten (10) business days of the posted decision date.

Should the student wish to pursue the reconsideration decision further, such an appeal will be made in accordance with the Senate Committee on Admission Appeals Procedures.

http://umanitoba.ca/admin/governance/governing_documents/students/admission_appeals.html

Applicants are advised that appeals of reconsideration decisions by the Senate Admissions Appeal Committee focus on questions of correct adherence to published policies and procedures by the Committee of Selection, and NOT on subjective issues or the relative merits of the application.

Section 6: Counselling of Applicants

The Desautels Faculty of Music and Admissions Office are able to assist applicants who seek counselling regarding admission to the Desautels Faculty of Music. However, it is policy not to instruct applicants as to a specific course of action they should follow, but rather to provide the information needed for applicants to make their own choice with respect to the alternatives available. The following points require special attention:

1. Applicants are encouraged to discuss their plans with all who can usefully advise them, but they should be aware that second and third hand information about admission policies may not be accurate.

2. No official at the university can guarantee the admission of any applicant. Admission is determined by the Committee on the basis of an annual competition.

3. All applicants are advised to supplement any personal enquiries with a written request so that an official written response can be made. It is only these written responses which will be considered as evidence of any advice given (see Section 8: Contact Information).
Section 7: Student Accessibility

The University of Manitoba is committed to providing all students equal access to learning opportunities. If you are a student with a diagnosed disability (permanent, chronic, or temporary) who may require academic accommodations, please contact Student Accessibility Services at 204-474-7423 or by email at student_accessibility@umanitoba.ca to learn more about the confidential supports that are available.
