Hello to all!

My name is Justin Rasmussen and I am a proud Métis. I have a great interest in wildlife and I have spent most of my student years studying birds.

I was recently welcomed into the family at the Aboriginal Student Centre as a Student Advisor. As such, I want to be your ally to help you reach your goals. I look forward to getting to know all of you and I invite you to drop by my office or contact me anytime if you have any questions regarding registration, your program of study, university

regulations, or if you just want to chat. I also hope to see many of you making the most of the wonderful facilities available to you such as the student lounge and the computer lab.

I am here to make your experience at the University of Manitoba an enjoyable one. I look forward to participating in and making many new friends at the great events the Aboriginal Student Centre has planned in the upcoming months!

Sincerely,
Justin Rasmussen
