Setting up a consistent e-mail signature and other communication tools

The University has visual identity guidelines for letterhead, powerpoint presentations and many other communication tools. Student Affairs has developed the following email signature for consistency within our units. Ideally the signature will not have any special formatting (like bold, italics, colour, graphics or hyperlinks) or what is sometimes referred to as non-rich text format. Keeping it basic means that your signature can be accessible on any platform or device.

Student Affairs Dress Code Guidelines

As student affairs professionals and University of Manitoba employees, it is acknowledged that Student Affairs employs staff from various unions and employee groups, including students. These guidelines apply to all staff members representing Student Affairs and are intended to respect cultural diversity and promotion of inclusion. We embrace our differences and strive to enable all members of the campus community to fully and meaningfully participate and contribute to all aspects of campus life. Discretion and good judgment should be exercised by staff in their attire and personal grooming taking into consideration the following:

- Business casual dress is recommended.
  - It is acknowledged that many staff members work and meet directly with students, and it is acknowledged that many staff members represent UM and SA in various business meetings on and off campus; therefore dress should be suited accordingly.
  - It is recommended that logos and images be restricted to UM and Bisons only – with the exception of days designated to specific themes by the Director or Executive Director of a unit (i.e., Winnipeg Jets or Blue Bomber game days).
It is recommended that designation of casual/denim Fridays within SA units be in support of the UM Food Bank by encouraging staff to dress down and provide a donation (cash or a non-perishable food donation).
  • Clothing should be in satisfactory repair free of rips or tears.
  • Clothing should not be inappropriately revealing.
  • Good personal hygiene and cleanliness should be practiced by all.
  • Footwear should be professional, clean and provide safe mobility.

For concerns or questions about these guidelines, please speak to your supervisor, or the Director or the Executive Director of your unit.

Student Affairs Scent Free Policy

In May 2014, the Student Affairs Leadership Team adopted a Scent-Free Environment Policy for offices within Student Affairs.

Exposure to scented products may cause serious allergic reactions. Please refrain from wearing perfume, cologne, scented lotions or other scents.

For concerns or questions in this regard, please speak to your supervisor, or the Director or the Executive Director of your unit.
