IMPORTANT NOTES:

- Students may access their registration time on Aurora beginning Monday, June 11 (for students in Bannatyne Programs listed in section 1 below); or Friday, July 6 (for all other students).
- Registration times are assigned based on the student’s academic unit/program, as at the date registration times are assigned. Students who change faculties after this date will have their time adjusted once admission is completed.
- In the absence of a DGPA, the CGPA is used.
- Aurora will be open for all functions, including registration, 24 hours per day - seven days per week. (Subject to minor scheduled and unscheduled outages in off-peak hours)
- All students require a registration time in order to register. Registration times will be assigned to students on the basis of several criteria as per their student status, as noted in the schedule below.
- Once a registration time begins, a student will be permitted unlimited access to the registration system. i.e. There is no 24 hour window.
- Although students may register on weekends, no registration times will begin on the weekend.
- Space reserves will be effective up to and including Monday, August 6. Unused reserved space will be available to students at 9:00 a.m. on Tuesday, August 7.
