

**NOTIFICATION TO BUSINESSES AND INDIVIDUALS DOING WORK AT THE
UNIVERSITY**

MANDATORY COVID-19 VACCINATION REQUIREMENT

The University of Manitoba is committed to the health and safety of our community and, as a result, the University has implemented a requirement that anyone coming to the University for any reason must be fully vaccinated with an approved Health Canada COVID-19 vaccine.

Consequently, anyone visiting or working at the University for more than 15 minutes, including consultants, contractors, suppliers of services, subcontractors, trades, and vendors will be required comply with all:

- a) Provincial health orders;
and
- b) University of Manitoba issued COVID-19 related guidelines and requirements for persons attending its property and campus(es), including the University's requirement that all persons on campus be fully vaccinated.

If these requirements prevent you from providing goods/services to the University of Manitoba, please contact Purchasing Services via email at: Purchasing@umanitoba.ca

Please consult the University of Manitoba webpage for updates at:
