Notes:

1. Graduate figures include students continuing in a course or thesis over more than one term. This table excludes graduate diploma students and students in St. Boniface College graduate programs.
2. Year in program is based on the length of time from the program start date, with three terms being a year. Year in program has been adjusted for parenting or exceptional leaves.
3. Students in an Individual Interdisciplinary Program (IIP) are shown under the faculty of their advisor.
4. New includes any graduate students starting in the Winter, Summer or Fall Term in 2011.
5. Includes **all** students in the Joint Master's Program shared by the University of Manitoba and the University of Winnipeg.
6. New program in 2011.
7. Students on an Exceptional or Parenting Leave are not required to register while on leave and are therefore not included in the Fall Term headcounts. They have been added as part-time students in this report only.
