1. This report includes: (a) all distance education credit hours, including Independent Study (formerly correspondence), on-line web courses, and group based study;
(b) all courses taught off-campus with stipend from other than faculty or school resources.
2. This report excludes credit hours declared as "Challenge for Credit", all Inter-Universities Services courses and all courses taught on-load during the previous summer. For on-load credit hours see the table entitled 'On-Load Undergraduate Student Credit Hours Taught By Faculties, Schools and Departments'.
3. An asterisk (*) indicates that the number of credit hours were below 100 in either year. Changes in faculties containing less than 100 credit hours can show abnormally large differences, therefore these are not reported.
