1. Due to the COVID-19 pandemic, Summer Term 2020 was restructured. As a result, course offerings and enrolments may not be comparable to previous years, and comparisons should be made with caution.
2. Summer Term refers to the reporting period of May through August.
3. This report excludes 6000-level courses associated with graduate programs.
4. An asterisk (\*) indicates that the number of credit hours were below 100 in either year. Percent changes in faculties/colleges/schools containing fewer than 100 credit hours can show abnormally large differences, therefore these changes are not reported.
5. The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.
6. Credit hours for the Max Rady College of Medicine do not reflect Undergraduate Medical Education teaching.
