1. Due to the COVID-19 pandemic, Summer Term 2020 was restructured. As a result, course offerings and enrolments may not be comparable to previous years, and comparisons should be made with caution.
2. An asterisk (*) indicates that enrolment was below 25 in either year. Percent changes in faculties/colleges/schools containing fewer than 25 students can show abnormally large differences, therefore these changes are not reported.
3. Enrolment in the integrated program is shown in Music for years 3 and 4 and in Education for year 5.
4. The Faculty of Engineering changed its name to the Price Faculty of Engineering in 2020.
5. Enrolment in Nursing includes students completing courses which were suspended in Winter Term due to the COVID-19 pandemic.
6. Includes William Norrie Centre, Distance and Northern programs.
7. The University 1 program was introduced in 1998-99. Most "new" students, with limited or no university experience, have registered under this program.
8. Graduate Studies includes pre-master's, master's, doctoral, occasional and diploma students. Graduate totals include only those students taking credit courses in Summer Term.
