DAGR 0660: Special Topics in General Agriculture – Exploration of Agri-food production and processing opportunities for Brokenhead Ojibway Nation – T04

Fall 2021

LAND ACKNOWLEDGEMENT

The University of Manitoba campuses are located on original lands of Anishinaabeg, Cree, Oji-Cree, Dakota, and Dene peoples, and on the homeland of the Métis Nation.

We respect the Treaties that were made on these territories, we acknowledge the harms and mistakes of the past, and we dedicate ourselves to move forward in partnership with Indigenous communities in a spirit of reconciliation and collaboration.

We recognize that Indigenous communities have important knowledge of land and tradition essential to a complete understanding of our shared reality.

COURSE DESCRIPTION

U of M Course Calendar Description

DAGR 0660 Special Topics in General Agriculture.
Selected topics of current interest in General Agriculture. The course content may vary.
Students can earn multiple credits for this course only when the topic subtitle is different.
Prerequisite: Written consent of Director of the School of Agriculture.

General Course Description for Kitigay.

Students will study and assess the agriculture initiatives in Brokenhead Ojibway Nation (BON)
and other indigenous communities, and the role of agriculture in food security. As we work
through these topics, we will build our confidence with basic tools of business assessment such
as profit/loss statements and budget estimates.

Course Goals

1. Students will gain a practical understanding of the opportunities to build a sustainable
   food production system in their BON community.

2. Students will learn the challenges and realities of food security in indigenous
   communities.

3. Students will improve their ability to critically evaluate business plans for farm product
   enterprises.

Course Learning Objectives

Students will

1. improve their work through collaborative discussion.

2. understand how trends and niche markets create economic opportunities.

3. understand how food security impacts their community.

4. review business plans, including capital and cash-flow requirements.

5. understand value chains, vertical integration and economic margins in agriculture.
6. appreciate the challenges and realities of value chain integration from historical and case studies.

7. critically evaluate business plans for farm product enterprises.

8. compare new economic models for farms, including Community supported agriculture, (CSA) labour coops, institutional supply chains and social enterprises.

9. review and critically evaluate prior economic development plans and projects.

10. identify regulation and production limitations relevant to BON agri-food projects.

**COURSE MATERIALS AND TECHNOLOGY**

As this is a remote learning course students are expected to have the minimum technology equipment to access UMLearn. These requirements can be checked here: System Check - University of Manitoba (desire2learn.com).

This course will include interactive discussions of each student's work. You should have the necessary technology for interactive two way video calls using MS-TEAMS.

**ATTENTION STUDENTS RESIDING OUTSIDE WINNIPEG**

As this is a remote learning course, all instructional activities and deadlines will be Winnipeg time (Central Time). Please make sure your calendars are adjusted to reflect any time changes. Please inform me as soon as possible if you are taking the course while residing outside of Winnipeg, specifically:

- If you are in a rural Canadian area affected by poor internet connections that may impact completing assessments and exams on time
- If you are in another time zone within or outside Canada, specify where you are, and if you foresee any challenges with attending classes and completing assessments and exams on time

**NOTE:** It is your responsibility to communicate with me well in advance of tests/exams/assignment due dates, of any ongoing issues, OR immediately once an issue arises that may impact your ability to complete course work.

**Course tour:** In compliance covid-19 protocols we will not be doing any on farm visits or trips this term, instead students will be asked to reflect on their experience as an intern in the Kitigay project.

**Textbook:** This course will have no required textbook. However two guiding documents are:

2. [New_farm_start-up_guide.pdf (gov.bc.ca)](https://gov.bc.ca/)

EXPECTATIONS AND POLICIES

This course will depend on the participation of all students. I will expect you to contribute to class discussions and research projects. I will expect you to be courteous and respectful to guests and mentors as well as fellow students and myself. Please see the University of Manitoba’s Respectful Work and Learning Environment Policy. Course expectations will be consistent with the policies of Section 2.5 ROASS.

Class Communication:
You are required to obtain and use your University of Manitoba email account for all communication between yourself and the university. All communication must comply with the Electronic Communication with Student Policy: http://umanitoba.ca/admin/governance/governing_documents/community/electronic_communication_with_students_policy.html.

Academic Integrity:
Each student in this course is expected to abide by the University of Manitoba Academic Integrity principles. Always remember to reference the work of others that you have used. Also be advised that you are required to complete your assignments independently unless otherwise specified. When you work in a team, ensure that your project complies with the academic integrity regulations.
Inappropriate collaborative behavior and violation of other Academic Integrity principles, will lead to the serious disciplinary action. Visit the Academic Calendar, Student Advocacy, and Academic Integrity web pages for more information and support.

It is expected that all submitted work should be completed independently. Information from mentors or group collaboration should be appropriately cited in work submitted for academic credit.

Recording Class Lectures:
Because this class will occasionally present confidential or proprietary information, no audio or video recording of lectures or presentations is allowed in any format, openly or surreptitiously, in whole or in part without permission of the course administrator. All course materials (both paper and digital) are only for the participant’s private study and research.

Student Accessibility Services:
The University of Manitoba is committed to providing an accessible academic community. Students Accessibility Services (SAS) offers academic accommodation supports and services such as note-taking, interpreting, assistive technology and exam accommodations. Students who have, or think they may have, a disability (e.g. mental illness, learning, medical, hearing, injury-related, visual) are invited to contact SAS to arrange a confidential consultation.

Phone: (204) 474-7423
Email: Student_accessibility@umanitoba.ca

Student EXPECTATIONS:
Success in this course will depend on significant student engagement outside of class. You can expect me to make significant “office hours” available for individual consultation. You can expect me to facilitate introductions to possible mentors and experts related to your chosen project. You can expect your term work to be graded and returned approximately two weeks after submission.
**COURSE SCHEDULE**

This schedule is subject to change at the discretion of the instructor and/or based on the learning needs of the students but such changes are subject to Section 2.8 of ROASS.

**Proposed class schedule: Monday & Wednesday:** Oct 13, 2021 - Dec 8, 2021; 10:30 am – 12:30 pm

Referencing Style
Success in this course will depend on students doing independent research for their individual project. Reference to supporting information is crucial to building your business case. This should be done clearly and frequently. Each reference should make it absolutely clear exactly from who, where and when you found your supporting information. The reference itself should allow anyone who wished to find the exact place / time where you found your information.

For example, your reference to a video should indicate: The person responsible for the content of the video; where the video can be viewed; the time the video was created; the time in the video where the relevant information is found. A URL is not a sufficient reference.

You can use any referencing style, consistently. MLA is recommended for ease of use. OWL Purdue is an excellent resource for students with questions about citations and references: https://owl.purdue.edu/owl/research_and_citation/resources.html

Assignment Feedback
Assignments will receive comments in rubrics that will be uploaded to the assignment dropbox. Students can expect to receive feedback to their work two weeks after submission. Students who have received low grades and challenging feedback on their first two assignments should reconsider continuing the course.

Assignment Extension and Late Submission Policy
Late assignments may not be accepted without prior approval from the course instructor or student services.

Academic Integrity
Each student in this course is expected to compete their coursework and programs of study with integrity by making a commitment to the six fundamental values of honesty, trust, fairness, respect, responsibility, and courage. http://umanitoba.ca/student-supports/academic-supports/academic-integrity

Academic integrity looks like referencing the work of others that you have used and completing your assignments independently unless otherwise specified.

All students are required to respect copyright as per Canada’s Copyright Act. Staff and students play a key role in the University’s copyright compliance as we balance user rights for educational purposes with the rights of content creators from around the world. The Copyright Office provides copyright resources and support for all members of the University of Manitoba community. Visit http://umanitoba.ca/copyright for more information.

LEARNER SUPPORT
Writing and Learning Support
The Academic Learning Centre (ALC) offers writing and learning supports to help you throughout your academic program. These supports are offered online during the Covid-19 pandemic.
Make an appointment with an ALC writing tutor who can give you feedback at any stage of the writing process, whether you are just beginning to work on a written assignment or already have a draft. The ALC also has an English as an Additional Language (EAL) specialist available to work with students on improving their English-language academic writing skills.

Consult an ALC learning specialist or attend an academic skills workshop to improve your time management, learning strategies and test-taking strategies. Get support in select courses by making an appointment with an ALC content tutor. The ALC also offers peer-facilitated study groups called Supplemental Instruction (SI) for certain courses that students have typically found difficult. In SI study groups, students ask questions, compare notes, discuss content, solve practice problems, and develop new study strategies in a group-learning format.

In addition to one-to-one and group sessions, you can also find writing and study tip sheets and videos on the ALC website.

Academic Learning Centre services are free for U of M students. For more information, please visit the Academic Learning Centre website at: [http://umanitoba.ca/student/academiclearning/](http://umanitoba.ca/student/academiclearning/)

Contact the Academic Learning Centre by calling 204-480-1481 or emailing academic_learning@umanitoba.ca. Bannatyne students can contact the Bannatyne Student Services office at 204-272-3190.

**University of Manitoba Libraries (UML)**

Research begins at UM Libraries. Learn at the Libraries is a great place to start, with information for students on academic writing, how to search the library, evaluating resources, and writing citations. As the primary contact for all research needs, your liaison librarian can play a vital role when completing academic papers and assignments. Liaisons can answer questions about locating appropriate resources or managing citations, and will address any other concerns you may have regarding the research process. Liaisons can be contacted by email or phone, and are also available to meet with you online. When working remotely, students can also receive help online through Ask Us! chat. For further detail about the libraries’ services and collections, visit the Libraries’ web site. Regularly check our COVID-19 Update page for available library services and access to resources for Fall 2020

**Your rights and responsibilities**

As a student of the University of Manitoba you have rights and responsibilities. It is important for you to know what you can expect from the University as a student and to understand what the University expects from you. Become familiar with the policies and procedures of the University and the regulations that are specific to your faculty, college or school.

The [Academic Calendar](http://umanitoba.ca/student/records/academiccalendar.html) is one important source of information. View the sections **University Policies and Procedures** and **General Academic Regulations**.

While all of the information contained in these two sections is important, the following information is highlighted.

- If you have questions about your grades, talk to your instructor. There is a process for term work and final **grade appeals**. Note that you have the right to access your final examination scripts. See the Registrar’s Office website for more information including appeal deadline dates and the appeal form [http://umanitoba.ca/registrar/](http://umanitoba.ca/registrar/)

- You are expected to view the General Academic Regulation section within the Academic Calendar and specifically read the **Academic Integrity** regulation. Consult the course syllabus or ask your instructor for additional information about demonstrating academic integrity in your academic work. Visit the Academic Integrity Site for tools and support [http://umanitoba.ca/academicintegrity/](http://umanitoba.ca/academicintegrity/) View the **Student Academic Misconduct** procedure for more information.

- The University is committed to a respectful work and learning environment. You have the right to be treated with respect and you are expected conduct yourself in an appropriate respectful manner. Policies governing behavior include the:
Respectful Work and Learning Environment

Student Discipline
http://umanitoba.ca/admin/governance/governing_documents/students/student_discipline.html and,

Violent or Threatening Behaviour
http://umanitoba.ca/admin/governance/governing_documents/community/669.html

- If you experience Sexual Assault or know a member of the University community who has, it is important to know there is a policy that provides information about the supports available to those who disclose and outlines a process for reporting. The Sexual Assault policy may be found at:
  http://umanitoba.ca/admin/governance/governing_documents/community/230.html
More information and resources can be found by reviewing the Sexual Assault site http://umanitoba.ca/student/sexual-assault/

For information about rights and responsibilities regarding Intellectual Property view the policy: https://umanitoba.ca/admin/governance/governing_documents/community/235.html

For information on regulations that are specific to your academic program, read the section in the Academic Calendar and on the respective faculty/college/school web site http://umanitoba.ca/faculties/

Contact an Academic Advisor within our faculty/college or school for questions about your academic program and regulations http://umanitoba.ca/academic-advisors/
