SiAF Student Design Competition Registration Form

Participant name: _____   **Email:** _____

_____   _____

_____   _____

_____   _____

Six digit code number: _____

All submission boards must include a six digit code number on the top right. The code number must consist of six different numbers, font size 36 point. The sequence of numbers shall not contain:

- due date for the competition submission
- numerical series
- six identical numbers
- birthday of the author(s)

Entrant agreement

Authors of the design competition submissions retain the artistic copyright of their ideas. All awarded entries receive prize money. The Department of Biosystems Engineering might use ideas or single details for their intention to realize the project and/or parts of the project in steps at a later date. Alterations may not be made without formal consent of authors.

All entrants should note that the Faculty of Architecture and Price Faculty of Engineering assumes the right to use any submitted material for any promotional endeavor that the Faculty of Architecture and Price Faculty of Engineering deems fit.
