

Hello!

Congratulations on your acceptance into the Masters of Interior Design (MID) program at the University of Manitoba!

I want to share some information that will help you get started with preparations for the fall. The University of Manitoba is initiating a phased reopening beginning with Fall Term 2021. As a result, the Department of Interior Design will offer lecture courses remotely. However, all interior design studios will frequently meet on campus for inputs, reviews and workshops. We expect our graduate students to be in Winnipeg to take advantage of our wonderful facilities. Finally, with the gradual reopening of the campus, we hope that your class will enjoy learning, making and socializing with your classmates and instructors. Of course, students and faculty members will follow safety protocols and health orders as required throughout the academic year.

The following information will help you register for 2021-2022 courses.

### **MID 1 Program of Study**

#### **MID Fall 2021**

GRAD 7500 Academic Integrity (remote)
