

## CAMERA & LENS

Pick the option that describes you best. All the packages meet the minimum requirements for the program. Models and prices can and will change. Availability subject to supply chain disruptions. This list is meant as a guide only.

Option A Under \$1,000	Option B \$1,000 - \$1,500	Option C \$1,500 - \$2,000
I want to meet the minimum course requirements but I don't have a personal interest in photography. More zoom is not important to me. More durable equipment is not important to me, I'll be careful! I won't be buying anymore lenses.	I want to meet the minimum course requirements and I have a personal interest in photography. More durable equipment is important to me, I want to use this gear a lot! I might buy more lenses.	I want to meet the minimum course requirements and I have a great interest in photography. Sharper pictures and more zoom is important to me. More durable equipment is important to me, I want to use this gear a lot! I plan to make photography a hobby and I will buy more lenses.
