

CAMERA & LENS

Pick the option that describes you best. All the packages meet the minimum requirements for the program. List is a guide, models and prices can and will change. Availability subject to supply chain.

Option A Under \$1,000	Option B \$1,000 - \$1,500	Option C \$1,500 - \$2,000
I want to meet the minimum course requirements but I don't have a personal interest in photography. More zoom is not important to me. More durable equipment is not important to me, I'll be careful! I won't be buying any more lenses.	I want to meet the minimum course requirements and I have a personal interest in photography. More durable equipment is important to me, I want to use this gear a lot! I might buy more lenses.	I have a great interest in photography. Sharper pictures and more zoom is important to me. More durable equipment is important to me, I want to use this gear a lot! I plan to make photography a hobby and I will buy more lenses.
