

Faculty of Arts Student Conference Travel Award

Preamble

This fund is intended to provide graduate and senior undergraduate students in the Faculty of Arts with financial support to attend a conference in their discipline at which they will present a paper, or play a role of similar significance. Students who receive an award from this fund may wish to include it on their resume under the title "Faculty of Arts Conference Travel Award".

Other sources of funding should be pursued, including the Alumni Association and the Faculty of Arts Endowment Committee (one competition a year, in the Winter term). Also available are Conference Travel awards administered through the Faculty of Graduate Studies. Students who have obtained funding from these, or other sources, may still apply to the Dean but total funding cannot exceed normal travel expenses.
