- This application is a tool to determine the number of students interested in the Program. The completion of this form does not infer acceptance into the Program.
- Students are encouraged to apply for co-op when they have a minimum of 48 hours completed as well as having at least 30 credit hours to go (48-87 hours completed toward their degree).
- It is advisable to contact an [Arts Academic Advisor](#) or department representative regarding the courses required for degree completion.
- **International Students** are to prepare for co-op by going to the International Centre for assistance and information regarding a co-op work authorization permit application. The co-op work authorization application should be discussed with the Co-op Coordinator immediately upon entering the program.

I certify that all of the above information is accurate and that I have read and understand the conditions above.

Checklist for Students Applying to the Faculty of Arts Co-operative Education Program

You must complete this checklist as part of your application process to enter the Faculty of Arts Co-operative Education Program. It will help you plan your Co-op Program by making sure you meet your academic requirements, take the courses you want and determine the best time for you to complete your Co-op work terms. **Items requiring the signature of an Arts Academic Advisor must be completed and signed before submitting your application.**

The completed and signed checklist must be attached to your co-op application form.

Print out a copy of your most recent web transcript from Aurora and attach it to your application.

Check the UM Academic Calendar to review the co-op requirements for each area of study.

Contact an Arts Academic Advisor to review your Academic program requirements. (arts_inquiry@umanitoba.ca)

Review your required courses and options for electives in years 3 to 5 of your proposed Co-op Program, noting any that are offered in alternate years only (based on available information in the UM Academic Calendar, UM Achieve or through an Arts Academic Advisor), so the timing of your first co-op work term can be determined.

Submit by email your (1) completed and signed application form, (2) completed and signed checklist, (3) completed and signed conditional approval form and (4) a copy of your most recent web transcript to the Faculty of Arts Co-op Office at arts.coop@umanitoba.ca by the application deadline.

Once your application has been reviewed, you will receive an email to your UM email address regarding your admission to the program.

I certify that all of the above information has been completed and that I have read and understand all of the information above.
