

Simply Computing - St. Mary's Location

2019-11-04

The University of Manitoba's (U of M) exclusive supplier for Apple products is Simply Computing.

Please be advised that the Simply Computing store on 303 St. Mary's Road (Wpg. MB.) is now closed.

At this point in time, the U of M's business processes with Simply Computing are as follows:

- Apple Computer repair work will no longer be available through Simply Computing. The Vendor Management Office (VMO) is currently working on an alternate Apple repair service provider. The VMO will notify all stakeholders shortly.
- Simply Computing has assured us that quotations and purchasing processes will remain the same.

If there are any inquires, feel free to contact us:

- Scott Wellman:
 - o scott.wellman@umanitoba.ca
 - o 474-8658
- Marcelo Aprosoff:
 - o marcelo.aprosoff@umanitoba.ca
 - o 474-6321

Please accept our apologies for any inconvenience this disruption in service may cause.

Scott
