Work Experience

INVESTMENT BANKING SUMMER ANALYST

April 2021 – Present

CIBC Capital Markets, Remote / Toronto, ON

- Gained diverse transaction and industry experience in multiple sectors including Consumer Retail, Manufacturing, Engineering & Construction, Agriculture, Healthcare and Telecom & Technology
- Involved in four buy-side M&A processes, two sell-side M&A processes and several equity financings
- Created company and transaction specific analysis including accretion / dilution, discounted cash flow, leveraged buyouts, deleveraging and credit profiles, financial forecasts and scenario analysis
- Built and maintained trading comparables, precedent transactions and client coverage databases
- Conducted several company specific capital structure reviews including sensitivities around free cash flow, payout ratios, WACC, acquisition capacity and leverage multiples

ACCOUNT INTERN, AUDIT

April 2020 – August 2020

Price Waterhouse Cooper (PwC), Winnipeg, MB

- Participated in audit engagement economics to ensure maximum staff efficiency and profitability for our clients; helped obtain over 70% realization rates for multiple client engagements
- Utilized large data sets to perform data analytics to search for irregularities in certain financial statements line items
- Performed step zero and step one goodwill impairment analysis and reviewed and tested management's cash flow and budget assumptions for a mid-sized, publicly traded packaging company.
- Assisted in preparing all audit deliverables including engagement letters, audit reports, financial statements and audit committee letters.

INVESTMENT ANALYST INTERN

April 2019 – August 2019

Teachers Retirement Allowance Fund (TRAF)

- Helped prepare three investment recommendations that were approved by the investment committee
- Created a 3-statement financial model with projections of a ~10% IRR on a C\$5 million equity investment
- Assisted in preparing a financial model for a C\$200 real estate portfolio
- Helped negotiate the exit of a portfolio investment based on achieving a normalized forward EBITDA estimate and exit multiple based on select precedent transactions
- Maintained several internal portfolio company financial statements on a monthly basis

Additional Experience

STUDENT FUNDRAISER

Sept 2019 – April 2019

University of Manitoba

Sept 2019 – April 2019

- Consistently ranked in the top percentile of fundraisers averaging ~\$25,000 in alumni donations during the semester
- Demonstrated exceptional communication skills while acting as an ambassador to the University
- Engaged alumni from all departments, providing updates and current information about the University of Manitoba

BARISTA

Nov 2018 – Feb 2018

Starbucks

- Oversaw and assisted in maintaining a clean workstation (including floors, work areas, equipment, wall, refrigerators, and meat blocks)
- Exceptional communication skills while acting as an ambassador to the brand
- Great teamwork by cooperating with and assisting workers

Leadership & Activities

3rd Place

May 2021

CFA Research Challenge

- Selected to represent the Asper School of Business, criteria based on outstanding academic performance
- Received hands on mentoring and intensive training in financial analysis
- Analyzed SEC filings to assess target company valuations of strategic buyers compared to those of financial buyers

VICE PRESIDENT

January 2021- Present

Accounting Students Business Association

- Coordinated and planned the strategy around the Business Accounting Student's Case Competition, bringing teams from various universities all over Canada to compete in an accounting-based case competition.

CO-PRESIDENT

Sept 2020- April 2021

University of Manitoba Finance Organization

- Constructed group strategy, team organization, and delegating tasks in a timely and effective manner.
- Strong interpersonal, research, and communication skills
