

42nd Annual Spring Research Symposium

Join the Centre on Aging for their 42nd Annual Spring Research Symposium. Presentation sessions will take place in a hybrid format: both in person and will be simultaneously streamed live online.

In addition to the presentations, visit the poster session, connect with our exhibitors, and view the Age-friendly University showcase.

The Symposium is free to attend but registration is required. All are welcome!

May 7, 2025 | 9 AM – 4 PM

2nd floor MPR, UMSU University Centre

65 Chancellor Circle

University of Manitoba, Fort Garry Campus
