

Fall 2021 – Winter 2022

As per the University of Manitoba Covid-19 response, the University has approved a plan to deliver **all possible courses for the Fall Term by remote learning**.

Following this plan, all Fall 2021 Education courses have been scheduled to be delivered via remote learning. This includes the nine (9) week Bachelor of Education courses for which you will be registered.

We are currently planning for an in-school practicum experience; however, should Manitoba Education determine school closures are required again, these plans can change.

The University of Manitoba is anticipating a return to campus for Winter 2022 term. Therefore all B.Ed. classes for Winter term will be scheduled in-person.

Please monitor the University of Manitoba webpage where charges regarding Covid-19 responses are announced.

Covid-19 updates (<https://umanitoba.ca/coronavirus#students>)

During these uncertain times, the Faculty of Education may have to adjust the on campus course schedule and the practicum course schedules in order to respond to any future directives from government and/or our educational partners. We will communicate any adjustments at the earliest time possible if any schedule changes are required.

Registration Information for Senior Years - Year 1 Students

Senior Years students will be registered by staff in the following courses in their assigned section:

EDUB 3100 *Senior Years Principles and Processes*

EDUB 3102 *Senior Years Language and Literacy Across the Curriculum*

3 credits of Curriculum & Instruction for Major –one of:

EDUB 3110 *Senior Years Curriculum and Instruction: The Arts*

EDUB 3120 *Senior Years Curriculum and Instruction: Languages*

EDUB 3130 *Senior Years Curriculum and Instruction: Social Sciences*

EDUB 3140 *Senior Years Curriculum and Instruction: Sciences*

- Students with a major teachable subject of: Biology, Chemistry, Computer Science, General Science, Mathematics or Physics will take section **A31**
- Students with a major teachable subject of: Human Ecology or Physical Education will take section **A32**

In addition:

Students with the following majors and minors will be registered in the applicable 4000-level Curriculum and Instruction (C & I) course in Winter Term:

English Language Arts – EDUB 4120 *Senior Years: Teaching English Language Arts*

History – EDUB 4132 *Senior Years: Teaching History*

Physical Education/Health Education – EDUB 4152 *Senior Years: Teaching Physical Education/Health Education*

The following * courses are offered 2021/22 and alternate years thereafter.

Both Year 1s and Year 2 students will be registered in these courses. They will not be offered again until 2023/24.

* **Computer Science – EDUB 4144** *Senior Years: Teaching Computer Science*

* **Drama – EDUB 4114** *Senior Years: Teaching Drama & Theatre*

* **French – EDUB 4122** *Senior Years: Teaching French*

* **Human Ecology – EDUB 4148** *Senior Years: Teaching Human Ecology*

* **Physics – EDUB 4154** *Senior Years: Teaching Physics*

Students who have **both** major and minor listed above will defer taking their Winter term Cross-Stream course until Year 2.

Students with majors and minors other than those listed above, will complete the associated 4000-level C & I(s) in Year 2 of their program. These students should take an education elective course in Winter term.

You are required to register in the other courses as outlined on your program plan and in the University of Manitoba Undergraduate Calendar ([Program Requirements Bachelor of Education After-Degree](#)).

We recommend you print the program plan as a guide to help you complete your course registration. In addition we have provided 3 daily timetables/schedules to assist with planning:

Double check to ensure your registration includes these courses as well as those that you have selected

Do not delete courses that the Education staff have registered you for unless you have discussed it with an Academic Advisor. Deleting required courses will result in the delay of your graduation

- 1) Senior Years courses - EDUB 3100, EDUB 3102 for your assigned cohort and all Year 1 C & I's
- 2) Cross-Stream courses
- 3) Aboriginal Education and Special Education/Diversity courses

Remember that you will be registered for one EDUB 3000-level C & I for your major and only the EDUB 4000-level C & I course(s) that pertain to **your** major and/or minor. Other courses offered as A31, A32, A33 or A34 are for *other* majors/minors. You may want to wait until the Faculty of Education staff has registered you in the courses noted above before choosing your Indigenous Education, Special Education/Diversity, Cross Stream and/or education elective(s) section.

We encourage you to follow the program as outlined in the U of M Undergraduate Calendar to ensure you graduate within the allotted time.

To determine your registration date access Aurora July 9. Your registration date is assigned according to Year of Program and the last 2 digits of your student number. The registration period for Education is July 22 – 28, 2021 with Year 1's registering on Days 3, 4 and 5.

Practicum Information

Practicum is a two-step process. In addition to the form you completed earlier in the year, you are required to register on Aurora for the courses themselves (**EDUB 3330** and **EDUB 3332**). You will NOT be eligible to attend your placement school if you have not registered in these courses. Practicum courses have pre/co-requisites - please ensure you are registering correctly.

NOTE: The Practicum and Partnership Office will be confirming registration during the week prior to class start date. Classes begin September 1. Should you not be registered on Aurora, your placement with the school will be cancelled.

Indigenous Education, Special Education/Diversity, Cross-Stream, and Education Elective courses

You are responsible for registering in and completing these courses over the next two years. See the pdf documents regarding timetabling for further information about course offerings.

Please pay particular attention to pre/co-requisites.

Withdrawing from/Deleting courses

Cohort courses (see *Program Terminology* below) are offered in one particular term only and unlikely to be offered in Summer Session. Some courses are only offered in alternate years. It is important to take note of pre and co-requisites prior to withdrawing or deleting a course. You should meet with the Academic Advisor to consult on how withdrawing/dropping courses may affect your graduation date or your continuation in the program.

If you delete your practicum course before classes begin, please contact our office to inform us of your decision so that we can work with the schools to make necessary adjustments.

Taking less than 30 credits in each year of your program extends the length of time it will take to graduate. Check your transcript to ensure you are on track for completion.

...See Next Page for Additional Information about Registering in the B.Ed. Program

General B.Ed. Registration, Fee, and Academic Advising information

All information from the faculty will be emailed to your U of M email address.

Orientation and the Practicum Meeting day will be held **September 1, 2, and 13**. You will be required to attend *either*

- (a) September 1 and September 13
- or**
- (b) September 2 and September 13

Further details about these dates and which days you will attend will be sent to you once more information is available.

Orientation is mandatory for all students.

Practicum begins September 7. You will attend your placement school starting September 7, 2021.
Fall B.Ed. Daytime classes begin on September 14 and end on November 9.

All Education students are required to read all materials pertaining to the B. Ed. program prior to Orientation (September 1st or 2nd, 2021).

More details regarding Orientation will be available on the Faculty of Education website at the end of July.

All Education students registered in Fall and/or Winter practicum courses are required to read the 2021-2022 Practicum Guide prior to September 7, 2021. Students will be notified when the 2021-2022 Practicum Guide is available online.

Practicum placements are ongoing. You should receive information about your placement from the Practicum and Partnerships Office (PPO) by the end of June. If you have not heard by mid August please reach out to the Practicum office to confirm your placement school.

It is important to note that if you anticipate needing special accommodations for your practicum or any other coursework, we encourage you to register with Student Accessibility Services and to speak with an Academic Advisor about the kinds of supports you may need. Accommodations should be requested prior to the start of the school year.

General B.Ed. Course Scheduling Information

B.Ed. program daytime courses are scheduled in 9-week blocks (with some exceptions) and are considered irregularly scheduled. Evening courses that are offered one day per week follow the standard University of Manitoba deadlines which are available in the U of M Calendar or on the Registrar's website.

B.Ed. courses offered during the day have unique start and end dates. See the B.Ed. Weekly Calendar (pdf on Registration webpage) for class days.

Some Education Elective courses are offered online. They follow the 9-week schedule and are listed on the *Education Elective Timetable*.

For a detailed listing of dates applicable to Education see **Section 1.8 Dates applicable to Education (B.Ed. only)** in the [UM Academic Schedule](#).

Standard Education Courses Class Times:

Class times are scheduled with 10 minute breaks between morning classes and afternoon classes and a 1 hour lunch break from 12:30 to 1:30. Class time slots are: 8:30-10:20; 10:30-12:20; 1:30-3:20; 3:30-5:20 Tuesday – Friday. Evening classes are usually scheduled from 5:30-8:15 one day per week; however, to accommodate practicum, some evening classes run for 9 weeks and therefore will be either twice a week (5:30 – 7:20) or once a week (5:30 – 9:20).

Scheduling Updates and Other Information

Scheduling Changes (course times, location, etc.) will be reflected on your "Week at a Glance" in Aurora.

Confirm your registration on Aurora before July 31:

Check Registration History in Aurora - Fall 2021 and Winter 2022 to confirm you are registered in the correct courses and check Account Summary to access your fee information.

It is the responsibility of the student to ensure that all program requirements are fulfilled.

Use your web transcript from Aurora and a program plan (see previous webpage titled B.Ed. Registration Information for appropriate pdf) to review all your previous coursework to determine what courses are required.

After reviewing all the information, if you have questions or concerns about your registration or program write to bachelor.education@umanitoba.ca. We will work to answer your email in a timely manner; however, it may take our office a few days to return any email. Your patience during this time is appreciated.

Double check your transcript and your registration against your program plan to ensure you have taken and are registered for all courses indicated.

A full program year consists of **30 credit hours**.

Deadline to Add

Deadlines to add irregularly scheduled courses shown in Aurora apply to web registration. In some circumstances, these B.Ed. courses may be added up to one day after the first class. In order to add a course after the date shown in Aurora, students must see a Faculty of Education Student Services staff member for authorization. Additions after a one day grace period will not be permitted.

VW/Fee Refund

Most daytime Bachelor of Education courses have specific voluntary withdrawal (VW) and fee refund deadline dates. We highly recommend you know these deadlines prior to the beginning of the school year. Deadlines and information regarding these sections are available on Aurora/Class Schedule Listing.

Reducing your Course Load/Extending your Program-Time Completion

The new B.Ed. Program has some (limited) flexibility for students who are not completing a full time course load. Please note that B.Ed. courses are scheduled to accommodate a full course load; therefore, scheduling options are limited. Other considerations:

- Reducing your load will extend your graduation date. The maximum time for degree completion is 6 years.
- Most B.Ed. courses are only offered in one term and may be required as pre-requisites. They are usually offered the same term every year.
- If you are a new student you must successfully complete a minimum of 3 credit hours of the B.Ed. program in the year of admission (Fall or Winter)
- Some course work is integrated with the practicum and must be taken as a pre/co-requisite.
- Ultimately, each 6 week practicum requires a full-time/daytime commitment. Ensure you are available for that prior to registering for a practicum term.
- You must contact an Academic Advisor prior to the start of the academic session to discuss your program and registration plans if you are planning on extending your program. It is recommended that you contact them prior to July 15, 2021.

Things to complete and to consider prior to contacting an advisor for a meeting:

Familiarize yourself with your “Program Plan”, prerequisite courses and scheduling of courses. Complete a Program Plan prior to the meeting slotting in possible courses for the upcoming year (available on the Faculty of Education Registration webpage)

1. Are there any demands and commitments that you need to consider in planning your educational program? For example, do you have paid employment; if so, how many hours a week do you work? Are you working evening, days, shift work? Do you have family responsibilities? Particular learning needs?
2. Are you a sponsored student required to maintain a minimum number of credit hours per academic session?
3. Given your commitments and what you know today, what is your period for graduation (eg. 3 years, 4 years, etc)?

Academic Advising Services

The Academic Advisors for the B.Ed. Program are Simone Hernandez-Ramdwar and Maria Differ. The academic advising process is a collaborative effort between the student and advisor, where each has a set of roles and responsibilities. Academic Advisors support and work in partnership with students through their program of study. The advisors are available to:

- Answer questions about the academic policy and procedures of the Faculty and University (deferred exams, academic standing, appeals, leave of absences, etc)
- Assist you through the registration process
- Assist you in clarifying your rights and responsibilities as students
- Work with you in developing a plan to meet and complete your degree requirements including looking at alternatives when life circumstances suddenly change
- Assist you in connecting to appropriate resources on and off campus
- Work with you in identifying options with respect to your learning, financial and scheduling needs.

You may reach an advisor by e-mail at bachelor.education@umanitoba.ca. Should an advisor need to contact you to clarify your question(s), please include a phone number and the time of day (between 8:30 and 4:30) that is best for you. We will work to answer your email in a timely manner; however, it may take our office a few days to respond. Your patience during this time is appreciated.

Program Terminology

In many of our information guides and in our day-to-day contact with you, we will refer to parts of the program by different names. To help navigate the program, here is a list of some of the terminology you may hear.

- **Cohort Courses**

Cohorts are groups of students in the same stream who take the same courses together – usually 2 or more per term, but in the case of Senior Years, cohorts consist of only 1 course per term, with 2 courses in the same year. Each year may be a different grouping of students. Cohort Courses are those courses that have the same section number as the assigned Cohort number (eg. Cohort MY A13 will take courses that are sectioned as A13).

- **Practicum Courses**

Every practicum has an associated course number. In addition to the online practicum requests submitted earlier in the year, you must register in both the Fall and the Winter practicum course. The practicum courses have pre-requisites. You must register for and successfully complete the pre-requisite course(s). If you are not registered in the associated course, your placement in the school will be cancelled. If you are registering in only one term, you must contact the Academic Advisor to ensure this arrangement can be accommodated.

- **Cross Stream Courses**

The B.Ed. program includes 3 courses which are referred to as Cross-Stream courses. These 3 courses are EDUA 3000, EDUA 3002 and EDUA 4000. They are common courses to all streams (Early, Middle & Senior) and therefore will have a mix of students in each class. You choose the section that fits your schedule best.

- **Indigenous Education and Special Education/Diversity Requirements Courses**

Every Bachelor of Education graduate must take 3 credit hours of Indigenous Education coursework and 3 credit hours of Special Education/Diversity coursework. Unlike the Cross Stream Courses, there is a choice of courses that meet these requirements in addition to different sections. You choose the course and section that fits your interest and schedule best. (Early Years students complete EDUB 3018 for the Special Education/Diversity Requirement).

- **Education Elective Courses**

The B.Ed. program also consists of elective courses, usually taken in the last year of the program. These are Education courses that are open to all B.Ed. students and although, not always possible, have been scheduled in such a way as to try to fit all cohorts.
