Directions

Becoming a teacher is a continual process extending throughout one's teaching career. To support you in that process, please reflect on and respond to the following questions. The questions are organized to align with the Expectations for your upcoming practicum as found in the Practicum Guide. Please consult those Expectations and review previous formative and summative feedback to guide your typed responses. Use point form if you prefer. Share your Professional Learning Plan electronically with your PA and MT to inform discussions with your practicum partners.
