

NOTIFICATION OF CONCERN

The Practicum Advisor will complete this form for any Teacher Candidate experiencing significant difficulty in the practicum. Where possible, an NOC should be filed **by the third week of the practicum block**. However, an NOC can be filed at any time. The form may be handwritten or typed and additional documentation may be attached as needed. The PA will **fax (204-474-7551), email or deliver the completed NOC to the Director, Practicum and Partnerships** as soon after the required signatures have been obtained as possible.

Failure by the TC to meet the Practicum Expectations and adequately address the concerns identified in the NOC may lead to a grade of "Fail" in the practicum. TCs may wish to seek support and guidance from Academic Student Services, Student Advocacy and/or Student Accessibility Services at the University of Manitoba in addition to consulting with their Practicum Advisor and Mentor Teacher(s).

Teacher Candidate's Name:					
School:				Date:	
Program/Stream:		Year:		Term:	
Practicum Advisor's Name:					

SPECIFIC CONCERNS (List main concerns with reference to specific Practicum Expectations.)

FOLLOW-UP ACTION TO BE TAKEN (List specific actions required by the TC with deadline dates.)
