

Faculty of Education Graduate Student Conference Award Guidelines

Purpose: To support Faculty of Education graduate students who are presenting at academic conferences

Eligibility: Part-time and full-time Education graduate students who meet the following criteria:

- are in good academic standing in their program
- have been accepted to present at a research conference sponsored by a recognized national or international organization (papers/posters must be relevant to the applicant's program of study)
- relevance of the conference to the student's program of study
- has not received the award twice previously

Value:

- up to \$500 for Canadian conferences
- up to \$750 for international conferences

Application Process and Deadlines:

- rolling application deadline
 - students are encouraged to apply prior to the conference; however, applications received within one month after the conference has ended may be considered
 - students are encouraged to apply for other funding sources if eligible i.e.; Faculty of Graduate Studies travel award and University of Manitoba Graduate Students' Association (UMGSA) conference grant
- student must submit the following documentation:
 - a completed application form
 - confirmation that the paper/poster has been accepted by the conference organizers
 - confirmation of funding from other sources, if applicable
 - receipts for all expenses must be submitted within one month after the conference
 - a letter of support from the student's program advisor submitted directly by the referee to adgr.education@umanitoba.ca by the application deadline

All application documentation and questions about this award should be submitted to:
Associate Dean, Graduate Programs & Research Office (ADGR) adgr.education@umanitoba.ca

Evaluation Criteria

Applications to this Award will be reviewed by the Associate Dean, Graduate Programs & Research based on the following criteria:

- that the student is in good academic standing
- confirmation that the paper/poster has been accepted by the conference organizers
- statement of support from the student's advisor
- a completed application

Conditions of the Award

- funds must be used for the expenses directly related to the conference
- students can access this award only twice during their program of studies
- students are encouraged to present their conference papers at the annual Faculty of Education's Graduate Students' Research Symposium
