**Note:** Courses taken pending approval of this program are coded as **non-credit** (OS) and subsequently credited toward the degree only if they are included in this approved list. Any substitutions require a rationale and Associate Dean's approval. Students **MUST** register and pay fees for fall, winter & summer terms regardless if coursework is being taken to maintain graduate student status.

**Additional courses to be taken to meet Certification requirements such as Reading Clinician, Canadian Counselling & Psychotherapy Association must be taken as 'Occasional Student' status and not as 'Auxiliary.' All programs with courses coded Auxiliary must include a rationale.**
