The Manitoba Teachers' Society Internationally Educated Teachers (IET) Bursary in Education

The Manitoba Teachers' Society offers an annual bursary to support a student who has obtained their Bachelor's Degree in Education (or equivalent) from an institution outside of Canada and is enrolled in either the Bachelor of Education program or the Post-Baccalaureate Diploma in Education (P.B.D.E.) program at the University of Manitoba. Each year, a minimum of one bursary valued at \$3,000 will be offered to an undergraduate student who:

- (1) has successfully completed a Bachelor's Degree in Education (or equivalent) from any accredited post-secondary institution outside of Canada;
- (2) is enrolled either full-time or part-time in any year of either the Post-Baccalaureate Diploma in Education (P.B.D.E.) program or the Bachelor of Education program in the Faculty of Education;
- (3) has achieved a minimum degree grade point average of 2.5 on all undergraduate courses completed (or equivalent); and
- (4) has demonstrated financial need on the standard University of Manitoba bursary application form.

In addition to the standard University of Manitoba bursary application, candidates will be required to submit a supplementary application documenting that they have successfully completed a Bachelor's Degree in Education (or equivalent) from a post-secondary institution outside of Canada.

In the event that there is no candidate who meets criteria (1) through (4), the selection committee will have the discretion to offer the award to a student who has met criteria (2) through (4) and has self-declared as a First Nations, Métis or Inuit person from Canada.

The selection committee will have the discretion to determine the number of awards offered each year.

The selection committee will be named by the Dean of the Faculty of Education (or designate).

This agreement may be amended by the mutual consent of the donor (or designate) and the University of Manitoba. All such amendments shall be in writing. In the absence of the donor (or designate), and providing all reasonable efforts have been made to consult, the Board of Governors of the University of Manitoba has the right to modify the terms of this award if, because of changed conditions, it becomes necessary to do so. Such modification shall conform as closely as possible to the expressed intention of the donor in establishing the award.
