ALEXANDER McINTYRE PRIZE IN EDUCATION

Consequent upon winding up its affairs, the M.E.A. wishes to ensure that the prizes it has awarded over the years in memory of Alexander McIntyre will continue to be available to promising students. The M.E.A. offers to establish with The University of Manitoba a fund to support this award.

The Alexander McIntyre Prize shall be awarded to a student for distinction in fourth year Education who in the judgment of the selection committee best combines the qualities of scholarship and leadership.

The first award under these terms shall be made following the spring series of examinations 1971. The annual value of the award shall be \$300. The value of the fund shall be reviewed annually and, if the earnings of the fund permit, the amount of the award shall be increased. The selection committee for this award shall be named by the Dean of the Faculty of Education of The University of Manitoba.
