

B. Ed & PBDE Awards & Scholarships Application – PREP DOCUMENT

Use this document to prepare for the online form.

Every year, the Faculty of Education offers a range of awards, scholarships and prizes to both new and continuing students in the B. Ed & PBDE programs. Eligibility criteria and application requirements vary for each award. This form will allow you to be considered for any awards or scholarships for that you qualify for. The information you provide will be used only for determining the B. Ed & PBDE award recipients.

Full name

UM student number

Your UM email address

Are you a new or returning student?

Which is your teaching stream?

- Early Years
- Middle Years
- Senior Years
- PBDE

What is your teachable major subject?

What is your teachable minor subject?

Are you a full-time or part-time student?

List up to four volunteer (unpaid) community or school activities in which you have invested significant energy in the last three years and describe the nature and significance of your leadership/community involvement.

Use the following format:

- Name of Experience/initiative/organization
- Brief description of your role (max 200 words)
- Start and end dates (MM/DD/YY)
- Estimated total hours

You may choose to upload your resume/curriculum vitae (cv) in a Word or PDF format.

Statement of professional and/or academic achievement

In approx. 250 words, describe your professional and/or academic achievements related to the B. Ed program. Use examples such as exemplary assignments, practicum activities, community involvement,

Indigenous engagement, commitment to inclusive practices, focus on social justice or critical pedagogies, and/or extra- or co-curricular experiences.

Using point form, list any additional achievements or accomplishments you would like to share.

Do you plan to teach in Manitoba after graduation?

For students focusing on Human Ecology, Sciences, STEM or Indigenous Education

Several awards require further details. If you have a focus in Human Ecology, Sciences, STEM or Indigenous Education, please respond to the relevant question(s) below.

For students with a major/minor in Human Ecology.

Have you demonstrated interest in human ecology education, volunteerism, and community service or do you have community service/volunteer experience focusing on Home Economics? If so, how? (max 250 words)

For students with a major/minor in Sciences or STEM.

Articulate your STEM activities. Have you shown excellence and innovation in STEM education, including creative pedagogy, scholarship, leadership, outreach and performance in the practicum classroom, school or through volunteer activities? If so, how? (max 250 words)

For students with a major/minor in any of the sciences.

Have you shown special interest in, and an aptitude for, science instruction? If so, how? (max 250 words)

For students engaged in and contributing to Indigenous (First Nations, Inuit, Metis) Education in Canada.

Please describe your Indigenous identity and your experiences, including your commitment, interest, and involvement in Indigenous Education in Canada.

Many awards require additional documents. To support your application, you may upload your resume or curriculum vitae (cv) in a Word or PDF format. In a second document, you may also upload supporting materials, such as lesson and learning plans, photos, etc., in a Word or PDF format.

You may include descriptions of active involvement in org/schools that offer educational programming for indigenous children/youth, outstanding achievements related to Indigenous Education. (max 500 words)

You will receive an email copy of your response upon submission.
